

Conflict of Interest and Disclosure Code

BALDWIN HILLS REGIONAL CONSERVATION AUTHORITY

The Political Reform Act of 1974 (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted Section 18730 of Division 6 of Title 2 of the California Code of Regulations (CCR) which contains a standard conflict of interest code that may be used by public agencies. It is amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Section 18730 may be incorporated into an agency's conflict of interest code by reference.

Therefore, the terms of CCR Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference into this conflict of interest and disclosure code of the Baldwin Hills Regional Conservation Authority, along with the attached Appendix in which members and employees of the agency are designated as public officials required to make economic disclosure and in which disclosure categories are assigned to those designated members and employees.

Designated employees shall file statements of economic interests with the agency and the agency shall make the statements available for public inspection and reproduction (Government Code Section 81008). Upon receipt of the statements of the agency's governing board and administrative head, the agency shall make and retain a copy and forward the originals of these statements to the Executive Officer of the Board of Supervisors of Los Angeles County. Statements of economic interests for all other designated employees shall be retained by the agency.
