

STATEMENT OF JASON E. GREEN
CANDIDATE FOR SEVENTH AND ALTERNATE SAFETY MEMBERS,
BOARD OF RETIREMENT

Age: 53

Occupation: Fire Fighter (Fire Captain 0205A)

Fellow Safety Members.

I am seeking your vote to continue as your advocate and represent you on the LACERA Board of Retirement.

I have been a LACERA Safety member for over 25 years, working in all rank-and-file positions from fire suppression aide to fire captain. For almost 8 years I have represented membership as a Local 1014 Board member, specializing in benefits, pay, and retirement.

I currently represent you as a LACERA trustee on both the Board of Retirement, and Investments. I am Chair of the Board of Investments, Chair of the Corporate Governance Committee, and member of the Audit Committee.

I am a fighter with demonstrated integrity, a strong work ethic, choosing the difficult right over the easy wrong. I have demonstrated I am a prudent fiduciary and advocate, proven by advocating for pension rights at NCPERS legislative conferences in Washington DC, and through dedicated service representing your interests.

I have strongly advocated for not only Safety Plans B and C members but all 192,000 LACERA members. I will continue to ensure LACERA remains solid and stable, protecting benefits for current and future retirees.

Thank you.

Jason E. Green
