Incorporation of FPPC Regulation 18730 (2 California Code of Regulations, Section 18730) by Reference

The Political Reform Act (Government Code Section 81000, *et seq.*) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730), which contains the terms of a standard conflict of interest code. After public notice and hearing, it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730, and any amendments to it duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference into the Ridgecrest Ranchos Recreation And Parks District ("Agency") Conflict of Interest Code. This regulation and the attached Appendices (or Exhibits) designating officials and employees and establishing economic disclosure categories shall constitute the conflict of interest code of this Agency.

Place of Filing of Statements of Economic Interests

All officials and employees required to submit a Statement of Economic Interests ("Statement") shall file their Statements with the Agency head, or their designee. The Agency shall make and retain a copy of all statements filed by its Directors, and forward the originals of such Statements to the Executive Office of the Board of Supervisors of Los Angeles County.

The Agency shall retain the originals of Statements for all other Designated Positions named in the Agency's conflict of interest code. All retained Statements, original or copied, shall be available for public inspection and reproduction (Gov. Code Section 81008).

Consultants/New Positions\*

\*Consultants/New Positions are included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code, subject to the following limitations:

The Board President or their designee may determine in writing that a particular consultant or new position, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with disclosure requirements in this section. Such written determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Board President or their designee's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code. (Gov. Code Section 81008.)

Individuals who perform under contract the identical duties of any designated position shall be required to file Statements disclosing reportable interest in the categories assigned to that designated position.
