

STATEMENT OF SHAWN R. KEHOE
CANDIDATE FOR FOURTH MEMBER,
BOARD OF INVESTMENTS

Occupation: Sheriff's Department

Fellow safety members,

I ask for your vote on **both** Boards so I may continue to defend your pension benefits. As a fiscally conservative, long-term investor, I will continue to protect your plan assets through thoughtful investments. Since 2/3 of your pension dollar is from investment returns, it is critical your pension board focuses on reducing risk, volatility, and **fees**. This has been my relentless focus and I will continue to ensure the continuing growth of our assets.

- Commander with 27 years of service
- Member Board of Retirement and Past Member Board of Investments

- Master of Public Administration from USC
- Bachelor of Science in Business Administration and Finance
- Served six years as the Chair between both Boards

Thank you for your consideration and please cast votes for me on **both** boards. Every vote matters!

Respectfully,

Shawn R. Kehoe
