

Our Mission: To end HIV infections by eliminating stigma, engaging people in wellness, removing barriers to care, and restoring dignity.

ABOUT US

Being Alive is a nonprofit organization focusing on the mental health and wellness of people living with HIV and AIDS. Our services to our client-members include a variety of no-cost programs such as comprehensive emotional support, treatment education, prevention, advocacy, wellness and social services. Our mental health program offers long term therapy for clients infected with and affected by HIV.

2023 Client Services

25,088

Services provided to clients from October 2022 through September 2023. Services are provided at no-cost in most cases and are dependent on donations and grant dollars.

Being Alive's dedicated team of volunteers and volunteer interns provided over 26,096 volunteer hours worth \$829,852.

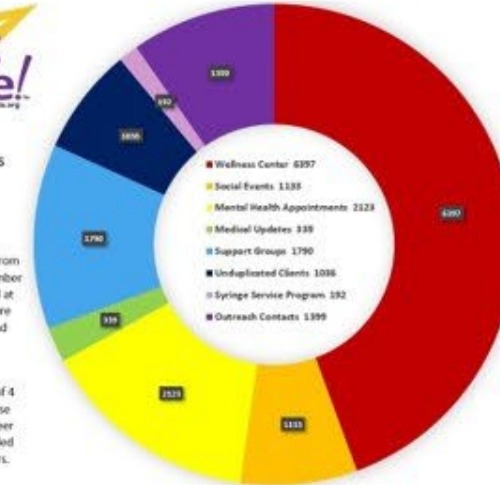

2021 Client Services

14,409

Services provided to clients from October 2020 through September 2021. Services are provided at no-cost in most cases and are dependent on duration and grant dollars.

Being Alive's full-time staff of 4 navigates our clients to these services provided by volunteer interns who this year provided over 11,700 volunteer hours.

2022 Client Services

21,687

Services provided to clients from October 2021 through September 2022. Services are provided at no-cost in most cases and are dependent on donation and grant dollars.

Being Alive's full-time staff of 5 navigates our clients to services provided by volunteer interns who this year provided over 22,100 volunteer hours worth \$661,895.
