

District Youth Coalitions - Ad Hoc Description

- For 12 months the commission will create an Ad Hoc Committee on Youth District Coalitions. The aim of this committee will be to focus on identifying the Youth Needs and Priorities by districts. Commissioners will help identify district impacts, vulnerabilities, and equity concerns specific to youth.
- Activities will include conducting public opinion surveys, convening Youth District Coalition Meetings, hosting listening sessions, and participating in local community events and gatherings, promoting intersectionality to ensure that voices of young people in all of their diversity are included and heard.
- Data and information will be analyzed and shared with the full board. The YCC will collectively approve and make recommendations to the Board of Supervisors.
