June 2017

Trends and Updates

April to June 2017

- The removal rate remained high in April, however, it fell below the state and circuit rates the last two months of the quarter.
- There was small decrease in children receiving services from the previous quarter.
- Foster home placements decreased 20.2% from the previous quarter while relative/ non-relative placements remained fairly steady. 50.0% of the children in out-of-home care are placed in relative/ non-relative placements.
- The performance measure targets have been met or exceeded for the following measures:
  - Children under supervision seen every 30 days
  - Rate of abuse or neglect per day while in out-of-home care
  - Children exiting out-of-home care to a permanent home
  - Children achieving permanency in 12 months for children in out-of-home care 12 to 23 months
  - Children in out-of-home care who received medical services within the last 12 months
  - Sibling groups where all siblings are placed together
  - Young adults who aged out of foster care who have completed or are enrolled in secondary education, vocational training, or adult education.
- Santa Rosa county has had a net loss of 14 traditional foster home beds since June 30, 2016.
- Santa Rosa county has 84 traditional foster homes with a total capacity of 172 beds as of June 30, 2017.
