

Billing guidelines

Geraldton

I-MED Radiology employs a mixed billing policy. To deliver the highest quality imaging services and support better healthcare outcomes, we continually invest in our expert staff and the latest medical technology. Charging a gap fee helps us maintain and upgrade our equipment, ensuring patients receive the best possible care.

Modality		Pensioner/HCC Gap Minimum Charge	Private Gap Minimum Charge
General x-ray	General x-ray	Bulk bill	\$40
CT	Diagnostic General	Bulk bill	Bulk bill

	Medicare eligible	\$100	\$110
Dental	Non Medicare eligible	\$200	\$220
	OPG	Bulk bill	\$40

Please note: prices are indicative only and may change without notice. Bulk billing applies to eligible scans. Fees can vary depending on the body part being imaged, the complexity of the scan, and the location. Weekend rates may differ. Rates apply to outpatients only. Full payment, including any Medicare rebate and applicable gap fee, is required on the day of service.
