

Billing guidelines

North Rockhampton

I-MED Radiology employs a mixed billing policy. To deliver the highest quality imaging services and support better healthcare outcomes, we continually invest in our expert staff and the latest medical technology. Charging a gap fee helps us maintain and upgrade our equipment, ensuring patients receive the best possible care.

Modality		Pensioner/HCC Gap Minimum Charge	Private Gap Minimum Charge
General x-ray	General x-ray	Bulk bill	\$85
CT	Diagnostic General	Bulk bill	Bulk bill
	Calcium Scoring	\$200	\$200

	Obstetric (exc dating)	Bulk bill	\$195
	Obstetric (dating)	Bulk bill	\$165
	Breast	\$95	\$140
	Vascular	\$95	\$195
	Carotid/DVT	Bulk bill	\$195
	Core Biopsy	Bulk bill	Bulk bill
Dental	OPG	Bulk bill	Bulk bill

Please note: prices are indicative only and may change without notice. Bulk billing applies to eligible scans. Fees can vary depending on the body part being imaged, the complexity of the scan, and the location. Weekend rates may differ. Rates apply to outpatients only. Full payment, including any Medicare rebate and applicable gap fee, is required on the day of service.
