HEALTHTRUST® Travel

powered by  onriva

Savings on Preferred Travel

We have exclusive partnerships with suppliers, and our patented AI technology aggregates public, private, and "hidden" fares. So you always get the best prices.

Fast, Simple Booking

We serve up your favorite settings to save you time on planning. And we'll remember your traveler preferences, from loyalty numbers to window seats.

Guest Booking

The Guest Travel Booking enables guests, such as prospective hires, clients, vendors, and contract workers, to easily book travel arrangements

Hang up on Long Hold Times

Hit a travel glitch? Need to talk to a live human and can't wait? US-based agents are available 24/7 via live chat, email, or phone to solve your toughest travel issues.

The Marketplace for All Travel

Book your business and personal travel in one place. Plus, add other traveler profiles to your account & tools to track your travel expenses on one platform.

Safety & Control

Discover peace of mind with Onriva's cutting-edge duty of care tools! Flight changes, travel alerts, or emergencies – we've got you covered with up-to-date information.
