The issuance of this certificate is based upon the voluntary certification, by the applicant for it, that the processing system listed herein conforms to the applicable provisions of the currently effective 3-A Standard(s) or 3-A Accepted Practice(s). Legal responsibility for conformance is solely that of the holder of this Certificate. 3-A Sanitary Standards, Inc. does not warrant that the holder of a certificate at all times conforms to the applicable provisions of the said 3-A Accepted Practice. This in no way affects the responsibility of 3-A Sanitary Standards, Inc. to take appropriate action in such cases in which evidence of nonconformance has been established.

Next TPV Inspection/Report due: **January 2030**
