Goof Proof® Multi-Color Application Instructions

• *For application on cotton, polyester or poly/cotton blends.*
• *An extra transfer is provided for testing purposes*
• *Before applying, check your transfers for spelling, color placement, etc.*
• If not a Hotronix® heat press, add 10°

1. Set Your Heat Press

Temperature: 365°F
Time: *10 Seconds for multi-color*
Pressure: Med/Firm 6-8 (60-80psi)

2. Preheat Your Apparel

• Place apparel on platen and press for 3-5 seconds

3. Position Your Transfer & Press

• Place the transfer image side down on the apparel
• Close machine and press for 10 seconds

4. Peel Transfer Carrier Hot

• Open machine and peel off the paper backing in a smooth, even motion.

Tips:
• Do not use a pillow
• With normal application, no cover sheet is needed.
  A cover sheet could possibly block heat from reaching
  the application.
