

## **Rittenhouse Expands Publisher Distribution Services and Support Team**

August 2021

Rittenhouse is your partner for effortlessly distributing trusted, vetted, and quality life and health sciences content. We are dedicated to helping our customers find what they need and move forward with knowledge from the world of health sciences that you provide. We are pleased to announce several initiatives that will expand your reach.

### **Rittenhouse Digital**

The mission of Rittenhouse is to significantly transform the distribution and access to scientific, technical, and medical (STM) information through collaboration with publishers and the development and implementation of innovative new technologies. We have improved workflows, content ingestion, and are making sure readers of your content to find what they need. We are pleased to announce we will be launching Rittenhouse Digital to provide access to eBooks for the consumer reader in addition to the R2 Digital Library for our hospital and library partners. Look for our survey about your needs in the near

future.

### **The Rittenhouse Publisher Services Team**

Rittenhouse is pleased to announce Rob Lennox will be joining the Publisher Services Team in the role of Publisher Ambassador. Rob has been with Rittenhouse for nearly 20 years and has transitioned from an outside sales role to this exciting new role. He will leverage his extensive knowledge of our customers and their content needs and inform how to best position your products for aggregation.
