TASB Risk Fund Data Center User Access Guide

Purpose

This guide provides step-by-step instructions for TASB Risk Fund members to request access to the TASB Risk Fund Data Center. The Data Center provides members with secure access to Fund reports, GASB documentation, and other key resources related to their coverage programs.

Requesting Access to the TASB Risk Fund Data Center

Step 1: Open the Access Request Form

Click the link below to open the TASB Risk Fund Data Center Access Request Form:

Step 2: Complete the Form

Fill in all required fields (marked with an asterisk *). You may be asked to provide your name, organization, contact information, job title, and program details. In the "Secure Page Content Access" field, please specify the reason for request (e.g., "Auto Reports", "Property Reports", "Workers' Comp Reports", "GASB Reports", etc.).

Step 3: Submit the Form

After completing all fields, click Submit. You will see a confirmation message once your request has been received.

Step 4: Review and Approval

Your request will be reviewed by the TASB Risk Fund team. Membership and program participation will be verified, and TASB staff will follow up with you via email regarding the status of your request.

Step 5: Log In to the Data Center

Once approved, visit the TASB Risk Fund Member Dashboard and click on the TASB Risk Fund Data Center. You will automatically be logged into the Data Center.
