## **Superintendent Compensation in Public Schools**

## 2024-2025 TASB/TASA Superintendent Salary Survey Highlights

## **Survey Information**

- All 1,019 Texas public school districts received the Superintendent Salary Survey questionnaire.
- By October 22, 2024, 755 districts participated in the survey, representing 74 percent of districts in Texas.
- Districts reported 26 interim and three part-time/non-interim superintendents; those 29 are excluded from our analysis.
- Data represents only the survey participants. Survey participants may not have answered all questions.
- Medians (50<sup>th</sup> percentile) are used for most reporting to reduce the impact of outliers (compared to averages).

### **Superintendent Salaries**

The median superintendent salary for 2024-2025 is \$153,176, an increase of 2.1 percent from last year (\$150,000). Median salaries for superintendents range from \$115,000 in districts with fewer than 500 students to \$362,250 in districts with 50,000 or more students.

		Percent of	2024–25	2024–25 Distribution of Salaries		
	Number of	Enrollment	Average	25 <sup>th</sup>		75 <sup>th</sup>
	Respondents	Group	Salary	Percentile	Median	Percentile
Overall Responses*	726	71.2%	\$176,391	\$125,499	\$153,176	\$208,000
By Enrollment						
1 to 499	192	61.0%	\$116,342	\$105,000	\$115,000	\$126,125
500 to 999	141	73.1%	\$136,751	\$125,000	\$135,000	\$143,520
1,000 to 1,599	89	71.2%	\$156,203	\$145,000	\$155,000	\$167,500
1,600 to 2,999	95	80.5%	\$179,983	\$160,000	\$179,500	\$191,929
3,000 to 4,999	61	75.3%	\$206,092	\$186,000	\$201,565	\$220,000
5,000 to 9,999	57	78.1%	\$253,277	\$225,000	\$250,000	\$278,204
10,000 to 24,999	50	80.6%	\$286,921	\$258,111	\$279,365	\$306,863
25,000 to 49,999	30	83.3%	\$332,875	\$314,516	\$330,186	\$347,506
50,000 and over	11	68.8%	\$372,664	\$341,304	\$362,250	\$385,515

<sup>\*</sup>Interim and part-time superintendents not included.

#### **Pay Increases**

The median superintendent pay increase was 3 percent, same as the past two years. Of returning superintendents, 69 percent received a base salary increase. Where benefits were reported as having been converted to salary, they were excluded from the pay increase calculations.

## **Superintendent Experience**

Superintendents have a median of three years in their current district and a median of four years as superintendent in any district. Most (70 percent) have only served as superintendent in their current district. Of the 132 districts (18 percent) with a new superintendent for 2024-2025, 91 districts hired a superintendent with no previous experience in the position.

# **Superintendent Compensation in Public Schools**

#### **Bonuses**

Few school boards pay bonuses specifically to their superintendent, although some districts offer a retention or other incentive to all employees. This year, 4.1 percent of respondents (30 districts) gave a separate bonus to the superintendent, which is higher than the 3.4 percent that did so last year. Most bonuses paid to the superintendent are split evenly between retention and performance. The median shows half of bonuses paid were \$10,000 or less.

## **Transportation Benefits**

Currently, 18 percent of responding districts (131) provide a car allowance to the superintendent to cover part or all the cost of a personal vehicle. The median annual vehicle allowance is \$6,000. A small group, 9 percent of districts (66), provide a vehicle for the sole use of the superintendent.

### **Health Insurance Benefits**

Most superintendents (89 percent) receive health insurance benefits from the district. The median district contribution for superintendent health insurance is \$4,200 annually. Employee-only coverage was most common, followed by employee-plus-children. Of responding districts, 38 percent of superintendents (277) reported employee-only rates (median district contribution of \$4,092), and 20 percent (148) reported employee-plus-children rates (median district contribution of \$4,188). Similar to last year, 7 percent provide a health insurance premium benefit to superintendents beyond that provided to other full-time employees.

#### **Other Benefits**

- Dues for membership to civic, private, or professional organizations and clubs: Sixty-three (63) percent
  of responding districts (456) pay dues for the superintendent. The median annual expense to the district
  is \$1,000.
- Allowance for cell phone and/or internet service: Thirty-three (33) percent of districts (238) provide the superintendent with this allowance. The median annual allowance is \$1,200.
- Paying a portion of superintendent's required Teacher Retirement System (TRS) contribution: Thirty-three (33) percent of districts (241) reported paying a portion of the required TRS contribution. The median contribution is \$17,279.
- Contributions to a tax-deferred investment account: Fifteen (15) percent of districts (112) contribute to an account for the superintendent. The median contribution is \$14,150. Of those making contributions, 20 percent of districts (22) require at least one year of service for the district's contribution to be vested.
- Housing subsidies: Fourteen (14) percent of districts (104) provide a housing subsidy. Of those, 68
  provide residence only, seven provide a housing allowance only, and eight districts provide a residence
  plus housing allowance. The median housing allowance is \$5,900.
- Allowance for business expenses: Seven (7) percent of districts (51) provide the superintendent with an allowance for various business expenses. The median annual allowance is \$3,600.
- **Life insurance:** Two (2) percent of districts (15) provide the superintendent with life insurance coverage. The median life insurance annual premium is \$585.
- Long-term disability and TRS service credit purchase: Only about 1 percent of districts provide these benefits to their superintendent.

## **Description of Survey**

This survey is a compilation of superintendent salary and benefit information submitted to TASB HR Services during the fall of the 2024-2025 school year. The survey invitation was emailed to 1,019 Texas public school districts. Data in this report summarizes responses to the TASB/TASA Superintendent Salary Survey online questionnaire.

Accurate and timely information helps school officials set educator salaries. Local school boards can use data from this survey to effectively recruit, retain, and reward superintendents through the development of competitive compensation packages. All superintendent compensation packages are unique and are tailored to the needs of the superintendent and local school district. Superintendents may receive other benefits or pay elements not captured in this survey.

### **Survey Methodology**

Standard mathematical and statistical calculations were used in compiling and analyzing the data. If a superintendent had less than one year of experience, zero was used; otherwise, years of experience were rounded to the closest whole number.
