Agenda

SUNDAY, APRIL 14	11:30 a.m.-3 p.m.	Conference Registration, Conference Lobby
	Noon-4 p.m.	Round Rock Express v. Oklahoma City Baseball Club, Dell Diamond
	3-6 p.m.	Conference Registration, Registration Desk 4
	6-7:30 p.m.	Outdoor Welcome Reception, Kilimanjaro Event Barn/Lawn

MONDAY, APRIL 15	7:30 a.m.	Conference Registration, Registration Desk 4
	7:30-8:15 a.m.	First-Time Attendee Breakfast and Orientation, Kilimanjaro 3 & 4
	7:30-9 a.m.	General Breakfast, Kilimanjaro Suite 6
	8:30-9:45 a.m.	General Session: Welcome and Keynote Speaker Chet Garner, Kilimanjaro Suite 6
	9:45 a.m.-5 p.m.	TASB Services and Fund Exhibitors Showcase, Kilimanjaro Expo Hallway

Education Sessions

	Kilimanjaro 1 & 2	Kilimanjaro 3 & 4	Kilimanjaro 7 & 8	Kilimanjaro 9 & 10	
MONDAY, APRIL 15	10-11 a.m.	Workers' Compensation 101	Cybercrime: This Is Our Story	Severe Weather and Property Coverage: An Imperfect Storm	Principles of Student Behavior Management
	11:15 a.m.-noon	An Insider's Look at School Security Mandates	Cybersecurity Coverage 101	Facilities Management: How to Take the Long View (And Why You Should)	Unemployment Compensation 101
	Noon-1 p.m.	Membership Luncheon and Excellence Awards 20-Year Celebration, Kilimanjaro Suite 6			
	1-2 p.m.	General Session: Perspectives on 50 Years of Texas Risk Pooling, Kilimanjaro Suite 6			
	2:15-3:15 p.m.	Unlocking Behavioral Threat Assessments	Workers' Compensation 201	Planning for a Rainy Day	Security on a Budget & Effective Crisis Communication
	3:30-4:30 p.m.	School Cybersecurity Report Card	Workplace Safety: Protecting Your People, Productivity, and Budget	House Bill 3: Covering Your Risks	Future-Proofing Your Risk Management Program
	6-8 p.m.	50 th Anniversary Celebration Dinner, Kilimanjaro Suite 6			

TUESDAY, APRIL 16	7:30-11 a.m.	Conference Registration, Registration Desk 4			
	7:30-8:30 a.m.	Regional Roundtables Breakfast, Kilimanjaro Suite 6			
	8:45-9:45 a.m.	Understanding and Managing Leave	Level Set: Fleet Risk Management Basics	How to Be a Good Risk Partner	Legal Liability 101
	10-11 a.m.	General Session: Risk Management Challenges Member Panel, Kilimanjaro Suite 6			
	11 a.m.-noon	General Session: School-Based Law Enforcement Member Panel, Kilimanjaro Suite 6			
	Noon	Coverage Credit Drawing, Kilimanjaro Suite 6

Welcome from the Chair

Welcome to the TASB Risk Management Fund Conference 2024! This is a special opportunity for Fund members from every corner of Texas to learn from risk management experts and thought leaders, network with peers, and celebrate the Fund's 50 years of service to public education. Our conference theme is Connect. Engage. Achieve. Those three words set the tone for our time together and speak volumes about the collaborative spirit of risk pooling.

The Fund is a community of more than 1,000 educational entities that share values, challenges, and a mission to provide the quality education every Texas child deserves. As members of a self-insured risk pool, we are also accountable to each other for controlling workplace accidents, property damage, cyberattacks, and other losses. Whatever your role, you will leave the conference with knowledge and tools that strengthen your ability to manage risk.

Our agenda includes expert-led sessions representing the spectrum of risk that Fund-member organizations face. If you are new to the Fund, I encourage you to make time for the Perspectives on 50 Years of Texas Risk Pooling and How to Be a Good Risk Partner sessions. You will learn the unique benefits of risk pooling and your role in our collective success.

Like every community, Fund members are stronger together. You will have plenty of opportunities this week to connect with colleagues and share ideas during special events such as the first-time attendee breakfast and regional roundtables.

On behalf of the Fund Board of Trustees and TASB staff, thank you for your membership, your commitment to managing risk, and your work and service in your local Texas community. Working together, we will ensure the Fund remains strong, adaptable, and relevant for another 50 years and beyond.

Sincerely,

A handwritten signature in black ink, appearing to read "Ted Beard". The signature is stylized and cursive.

Ted Beard
Board Chair, TASB Risk Management Fund
School Board Member, Longview ISD

Thank You 50-Year Members

The Fund is celebrating a half-century of service to public education this year, and 43 members have been there since the beginning. Thank you for your membership, your support of the Fund's mission, and your commitment to sharing risk.

General Sessions

Keynote Speaker **Chet Garner**

8:30-9:45 a.m.
Kilimanjaro Suite 6

Chet Garner is the creator, host, and executive producer of *The Daytripper*, a 13-time Emmy-award-winning Texas travel show airing on PBS stations across the country.

Born in Comanche and raised in Port Neches, Texas, Garner's love for storytelling began at a young age around the Boy Scout campfire and toting around his grandfather's VHS video camera.

Garner earned a degree in radio-television-film from The University of Texas at Austin and went on to graduate first in his class from Baylor Law School. However, after practicing law for three years, he decided to follow his passions and simultaneously inspire folks to appreciate the beauty, history, and food of the Lone Star State.

What followed was a crash course in travel, filmmaking, marketing, and doing whatever it takes to start a successful TV show. When not traveling, Garner is at home in Georgetown with his wife and five children (14, 12, 9, 7, and 3) – although he's usually got them on the road, too.

Learn more about *The Daytripper* at thedaytripper.com.

Perspectives on 50 Years of Texas Risk Pooling

1-2 p.m.
Kilimanjaro 6

As a self-insured risk pool, the Fund exists to serve its members and jointly protect district resources and assets from loss. Over its 50-year history, the Fund's strength lies in more than 1,000 Texas public educational entities coming together to share risk. This moderated session will explore how risk pools serve Texas communities and how their unique governance structures, mission, and focus on service support members' collective success. Pooling experts and leaders will also share their perspectives on how risk pools and their members can be future focused in their risk management programs.

Panelists:

Dubravka Romano, retired TASB associate executive director, TASB Risk Management Services

Michael Shannon, senior director of risk management services, Texas Association of Counties Risk Management Pool

Jeff Thompson, executive director, Texas Municipal League Intergovernmental Risk Pool

General Sessions

Risk Management Challenges Member Panel

10-11 a.m.

Kilimanjaro 6

Nobody understands the risks facing your organization better than your peers. In the collaborative spirit of risk pooling, Fund members from various-sized school districts will share how they are tackling their top risk management challenges. This is your chance to glean practical solutions you can adapt to fit your schools' unique needs.

Panelists:

Shannon Burns, director of risk management, East Central ISD

Bridget Chustz-Morrison, risk management director, Fort Bend ISD

Tracie Malovets, business manager, Rogers ISD

Lance Nauman, director of risk management, Katy ISD

School-Based Law Enforcement Member Panel

11 a.m.-noon

Kilimanjaro 6

School-based law enforcement (SBLE) is not new to Texas public schools, but it is rapidly evolving in response to recent tragedies and legislative mandates. Members will share their journeys in ensuring safe and secure learning environments in their districts, including how they are meeting the requirement for every campus to have an armed security officer. Panelists will share tips for managing operational challenges like purchasing firearms and other equipment as well as ensuring SBLE personnel meet training requirements.

Panelists:

Bill Avera, chief of police and emergency manager, Jacksonville ISD

Jo Ann Bludau, Ed.D., superintendent, Hallettsville ISD

Troy Burke, director of safety and security, Royse City ISD

Rick Goodrich, chief of safety and security, Boerne ISD

Join the conversation on social media.

TASB Risk Management Fund

@tasbrmf

10-11 a.m. (Choose one)

Workers' Compensation 101

Kilimanjaro 1 & 2

Workers' compensation is a heavily regulated coverage that assigns important obligations to employers. If you're newly responsible for reporting workplace injuries, filing state-mandated forms, or administering any other aspect of your organization's workers' compensation program, this session is for you. The session covers claim-reporting forms and deadlines, common compliance mistakes, tools for front-line supervisors, and risks to know.

Presenters:

Jennifer Ruedas, workers' compensation claims manager

Adriana Talbot, workers' compensation program consultant, TASB Risk Management Services

Cybercrime: This Is Our Story

Kilimanjaro 3 & 4

Like many other districts across the country, Lake Dallas ISD fell prey to a cyberattack. Learn first-hand how the district leveraged services and support provided through the Fund's cybersecurity coverage to respond quickly, navigate the claims process, and ultimately enhance its cyberdefenses.

Presenters:

Wes Eversole, deputy superintendent/CFO and district staff, Lake Dallas ISD

Severe Weather and Property Coverage: An Imperfect Storm

Kilimanjaro 7 & 8

When earthquakes shake Turkey, floods swallow India, hurricanes hammer the Gulf Coast, and hail pummels the Panhandle, school districts across

Texas feel the impact. Last year, the world recorded 66 billion-dollar insured natural disasters, well above the annual average of 43. Those costs are among an imperfect storm of forces driving property coverage rates to historic highs for budget-strapped schools. TASB's risk management data leader and an expert meteorologist will talk about global weather patterns and what they mean to your district.

Presenters:

Troy Kimmel, senior lecturer and meteorologist, The University of Texas at Austin

Guillermo Pallares, division director of strategic initiatives and operations support, TASB Risk Management Services

Principles of Student Behavior Management

Kilimanjaro 9 & 10

Student behavioral challenges don't just disrupt learning. They also fuel staff burnout and turnover, especially when employees feel a lack of administrative support. Our expert will expose common myths about student behavior and break down best practices for identifying and addressing improvement opportunities.

Presenter:

Stacy Morgan, founder and CEO, Emergent Tree

11:15 a.m.-noon (Choose one)

An Insider's Look at School Security Mandates

Kilimanjaro 1 & 2

The Texas School Safety Center oversees many school safety mandates and trains district staff throughout the state. This presentation includes a comprehensive overview of safety topics and explains how strategic district operations with

multidisciplinary teams play a key role in maintaining safe, supportive learning environments. The session reviews behavioral threat assessments, multihazard emergency operations plans, school safety audits, and other mandates. Free training and resources available to districts will be highlighted.

Presenter:

Nate Turner, associate director of school safety and readiness, Texas School Safety Center

Unemployment Compensation 101

Kilimanjaro 9 & 10

This introductory presentation will cover the basics of unemployment claims, including the Texas Workforce Commission's process of reporting employee wages, best practices for unemployment claims, and issues on terminations, resignations, and potential RIFs.

Presenters:

Cynthia Andrus, assistant director of underwriting program administration

James Ezell, unemployment compensation attorney, TASB Risk Management Services

Cybersecurity Coverage 101

Kilimanjaro 3 & 4

Cyberattacks have the power to drain school budgets, disrupt student learning, and erode public trust. Attendees will take the pulse of the current cybersecurity coverage market, talk through lessons learned from recent attacks, and identify basic best practices that help schools protect sensitive data. Fund members with cybersecurity coverage will also learn about important responsibilities and expectations outlined in cyber coverage agreements.

Presenters:

Lucas Anderson, privacy and cyber risk consultant

Jennifer Jones, senior marketing consultant, TASB Risk Management Services

Facilities Management: How to Take the Long View (And Why You Should)

Kilimanjaro 7 & 8

If a spring flood left multiple campuses uninhabitable, a tornado wiped out several facilities, or a power surge knocked your electrical system offline, your property coverage may be there to help you recover. But coverage alone is not a risk management strategy. An expert from TASB Facility Services will explain how to harness facilities data, develop long-range planning strategies, and proactively forecast capital investments to account for your district's long-term needs.

Presenters:

Kim Shelly, property claims adjuster, TASB Risk Management Services

Grady Slaydon, regional manager, TASB Facility Services

2:15-3:15 p.m. (Choose one)

Unlocking Behavioral Threat Assessments

Kilimanjaro 1 & 2

In an era when ensuring the safety and well-being of students is paramount, educational institutions increasingly rely on behavioral threat assessment (BTA) teams to proactively identify and address potential threats. This session offers expert guidance on navigating BTA mandates, special education rules, and student privacy rules.

Presenter:

Denise Hays, shareholder, Walsh Gallegos Kyle Robinson & Roalson P.C.

Workers' Compensation 201

Kilimanjaro 3 & 4

When on-the-job injuries cause employees to miss work, school leaders are often faced with a tough decision: pay overtime or hire temporary help. But what if you had a third option that didn't tap into the budget? In this session, attendees will learn how to control the costs associated with workplace injuries by investing in modified-duty assignments. Presenters will highlight best practices for coordinating injured employee leave and benefits and promoting productivity by taking advantage of the Fund's telemedicine program.

Presenters:

Jennifer Ruedas, workers' compensation claims manager

Adriana Talbot, workers' compensation program consultant, TASB Risk Management Services

Planning for a Rainy Day

Kilimanjaro 7 & 8

Facility roofs are among every organization's biggest budget line items. Maximizing the investment starts with choosing the right products for your needs, understanding the climate in your area, and understanding the importance of maintenance. This session will walk through the planning and procurement process and illustrate potential coverage implications of poor purchasing or maintenance decisions.

Presenters:

Robert Pina, property claims manager, TASB Risk Management Services

Josh Ziegler, executive building consultant, Cavalry Construction Company Inc.

Security on a Budget & Effective Crisis Communication

Kilimanjaro 9 & 10

School security is part preparation through planning and hardening and part response and recovery. Security grants, community calls to improve security, and the menu of tools available to you are increasing, yet financial support is scarce. This session identifies ways to navigate your options and make informed decisions that prioritize the safety and well-being of your school community. If an incident does occur, it's equally important to respond with effective communication and to plan how to manage developing narratives in the immediate aftermath and during the community's recovery.

Presenters:

Joanie Arrott, assistant director of risk solutions, TASB Risk Management Services

Jason Russell, president and founder, Secure Environment Consultants

3:30-4:30 p.m. (Choose one)

School Cybersecurity Report Card

Kilimanjaro 1 & 2

Cybercrime is big business, and schools are top targets. In fact, reported attacks against the education sector exploded by 225% between 2018 and 2021, according to a federal report. Presenters will paint a picture of the current school cyberthreat landscape, identify successes and improvement opportunities, and share free and low-cost resources that can help strengthen cyberdefenses in your district.

Presenters:

Lucas Anderson, privacy and cyber risk consultant, TASB Risk Management Services

Todd Pauley, deputy chief information security officer, Texas Education Agency

Workplace Safety: Protecting Your People, Productivity, and Budget

Kilimanjaro 3 & 4

When employees suffer on-the-job injuries, workers' compensation covers their medical and income benefits. Other costs, such as hiring temporary help, repairing damaged equipment, and paying regulatory fines, come out of the employer's pocket. This session will pull the curtain back on the most common and costly accidents and talk through safety fundamentals that help protect your people, productivity, and budget.

Presenters:

Javier Cano, risk solutions consultant, TASB Risk Management Services

Kevin O'Sadnick, senior risk control manager, Safety National

Notes

Lined area for taking notes, consisting of horizontal lines across the right half of the page.

Education Session Descriptions

House Bill 3: Covering Your Risks

Kilimanjaro 7 & 8

In 2023, Texas lawmakers passed sweeping legislation designed to strengthen school security. One of the most high-profile mandates of House Bill 3 is the requirement that an armed security officer be present on every campus. Presenters will explain the unique workers' compensation and liability risks associated with school-based law enforcement personnel and share tips for controlling your exposure.

Presenters:

Janina Flores, division director of risk solutions

Paul Taylor, division director of legal and regulatory affairs, TASB Risk Management Services

Future-Proofing Your Risk Management Program

Kilimanjaro 9 & 10

Drones, electric buses, solar/wind turbines, and the Internet of Things have the power to boost school safety and efficiency, but they also introduce new exposures. If you want to future-proof your risk management program, don't miss this session. Attendees will learn to recognize and address the risks associated with emerging technology in schools.

Presenters:

Joanie Arrott, assistant director of risk solutions, TASB Risk Management Services

Adam Care, client innovation and solutions leader, HSB

Notes

8:45-9:45 a.m. (Choose one)

Understanding and Managing Leave

Kilimanjaro 1 & 2

This session will guide attendees through responding to employee requests for leave, including special rules for assault and first responders. The presenter will highlight tips for investigating incidents, determining leave eligibility, and coordinating workers' compensation income benefits.

Presenter:
April Mabry, assistant director, TASB HR Services

Level Set: Fleet Risk Management Basics

Kilimanjaro 3 & 4

If you're paying more for auto coverage nowadays, you're not alone. Rates have risen 11 consecutive years nationwide, according to the Council of Insurance Agents and Brokers. Find out how the global auto coverage market is impacting Fund members, get tips for assessing and managing fleet risk, and learn about unique protections afforded to schools by state law.

Presenters:
Rosa Brown, senior marketing consultant
Charles Hueter, risk solutions consultant, TASB Risk Management Services

How to Be a Good Risk Partner

Kilimanjaro 7 & 8

When Fund members work together to prevent workplace accidents, property damage, and other losses, all members succeed together. This session

explores key information Fund underwriters collect to evaluate each member's risk and exposure, how that information influences your coverage and costs, and how to leverage Fund expertise and services to become a good risk partner.

Presenters:
Paul Grim, managing senior underwriter
Adrian Pena, senior marketing consultant, TASB Risk Management Services

Legal Liability 101

Kilimanjaro 9 & 10

The Texas Tort Claims Act (TTCA) limits school districts' liability for accidents or other events that cause property damage or personal injury. Presenters will break down the TTCA and explain when it protects your district and, as importantly, when it does not. This session will include a review of liability claim trends among Fund members, extracting lessons everyone can leverage to protect their organizations.

Presenters:
Marcy Barker, liability claims manager, TASB Risk Management Services
Meredith Prykryl Walker, shareholder, Walsh Gallegos Kyle Robinson & Roalson P.C.

Notes

Special Events

Explore a full slate of special events, networking opportunities, and a celebratory dinner in recognition of the Fund's 50-year legacy of service to public education.

Name badges must be worn at all conference events.

Sunday, April 14

Round Rock Express v. Oklahoma City Baseball Club

Noon-4 p.m.

Dell Diamond

If you're passionate about America's national pastime, this is a can't-miss opportunity to watch the Texas Rangers Triple A affiliate up close and personal. We'll take in the game from the comfortable confines along the first-base line of the Dell Diamond, and a lunch buffet including burgers, hot dogs, and dessert will be served. Transportation to and from Kalahari will be provided.

Welcome Networking Reception

6-7:30 p.m.

Kalahari Event Barn and Lawn

Stop by to meet friends new and old at the Kalahari Event Barn. Compete in yard games like ladder golf, horseshoes, and cornhole while enjoying a buffet of hors d'oeuvres.

Monday, April 15

First-Time Attendee Breakfast and Orientation

7:30-8:15 a.m.

Kilimanjaro 3 & 4

Join the Fund for a special gathering to network with other first-time conference attendees, meet TASB staff, and get tips on making the most of your time at the conference. This is a fun, interactive way to get acquainted before the conference officially begins.

Membership Luncheon and Excellence Awards 20-Year Celebration

Noon-1 p.m.

Kilimanjaro Suite 6

Since 2004, the Excellence Awards program has recognized Fund members who implement innovative solutions to risk management challenges. Celebrate the program's 20-year anniversary by recognizing past winners, reflecting on some of the more unique entries, and learning about our new five-timers' club.

50th Anniversary Celebration Dinner

6-8 p.m.

Kilimanjaro Suite 6

We will celebrate the Fund's 50-year legacy of service to public education with a special dinner and program. Associate Executive Director of TASB Risk Management Services Mary Barrett will deliver a state of the Fund address and share leadership's vision for the next 50 years. We will also recognize members that have been with the Fund since we opened our doors in 1974. Musical entertainment will be provided by Austin Soundwaves.

Tuesday, April 16

Breakfast and Regional Roundtables

7:30-8:30 a.m.

Kilimanjaro Suite 6

Start your day by sharing ideas and collaborating with other risk management professionals in your region. We will open with a guided activity designed to deepen your risk management knowledge. From there, attendees will share their on-the-job challenges and, as important, solutions. Bring extra business cards and share them liberally!

Musical entertainment during the 50th Anniversary Celebration Dinner is provided by Mariachi Para Todos and Mariachi las Aguilas. Both groups, led by Akins High School director

of Mariachi and Guitar Susana Diaz-Lopez, are community-based programs offered by Austin Soundwaves. Learn more about Austin Soundwaves' mission to make music education accessible and equitable at austinsoundwaves.org.

TASB Services and Fund Exhibitors Showcase

Monday, April 15
9:45 a.m.-5 p.m.

Kilimanjaro Expo Hallway

Visit the TASB Services and Fund Exhibitors Showcase to gather information and resources to share with your organization.

Excellence Awards Recipients

Five-Timers Club

- **Eanes ISD:** 2006, 2008, 2010, 2013, 2017, 2019
Eanes ISD's proactive approach to security shows in initiatives such as intruder assessments, retrofitted door locks in aging buildings, and student-led emergency response and safety training courses.
- **Garland ISD:** 2004, 2005, 2006, 2008, 2010, 2012, 2015, 2019
Garland ISD uses creativity and humor to engage employees. Notable initiatives include the Safety Enquirer, Star-Trek themed safety reports, and witty holiday cards that teach employees about safety hazards.
- **Klein ISD:** 2004, 2006, 2010, 2012, 2014, 2018, 2022
Klein ISD prioritizes preparedness and response with measures like streamlined accident logs, a fire marshal inspection preparation video, and an accident review board for their bus fleet.
- **Longview ISD:** 2011, 2013, 2015, 2017, 2021
Longview ISD's driver safety initiatives, school-based recycling programs, and on-site vaccination clinics reflect its dedication to employee safety, environmental sustainability, and student behavior and health.
- **Mesquite ISD:** 2007, 2009, 2011, 2013, 2023
Online safety seminars, an employee health center, and workplace safety audit tools are just a handful of initiatives that demonstrate Mesquite ISD's intentional focus on risk management.
- **Willis ISD:** 2004, 2005, 2006, 2007, 2011, 2019
Whether they're sending daily safety training messages, implementing a panic button app for emergency communication, or rolling out interactive safety programs, Willis ISD fosters a district-wide culture of safety excellence.

Continuing Education Credit (CEC)

The Fund's continuing education credit (CEC) programs are designed to cover a wide range of topics and specializations. Earn up to nine hours (0.25 increments) of CEC from the following entities:

- School Board Member Continuing Education Credit (CEC) (TEA Provider number: 2021-14-14-RP1766)
- Texas Association of School Business Officials (TASBO)
- Texas Department of Insurance Adjuster CE (TDI Provider number: 32580)
- Texas State Board for Educator Certification (SBEC)
- Texas State Board of Public Accountancy (TSBPA - CPE Sponsor ID number: 009474)

No prerequisites are required to attend conference courses. **All sessions, including general sessions, are eligible for SBEC, CPE, and TASBO credits.**

Eligible for TDI Adjuster CEC

- Workers' Compensation 101 (TDI course ID: 138789)
- Workers' Compensation 201 (TDI course ID: 138790)
- Understanding and Managing Leave (TDI course ID: 138805)

Eligible for School Board Member CEC

- General Session: Keynote Speaker, Chet Garner
- Cybercrime: This Is Our Story*
- Severe Weather and Property Coverage: An Imperfect Storm
- Principles of Student Behavior Management
- An Insider's Look at School Security Mandates
- Facilities Management: How to Take the Long View (And Why You Should)
- General Session: Perspectives on 50 Years of

- Texas Risk Pooling
- Unlocking Behavioral Threat Assessments
- Planning for a Rainy Day
- Security on a Budget & Effective Crisis Communication
- School Cybersecurity Report Card*
- Workplace Safety: Protecting Your People, Productivity, and Budget
- House Bill 3: Covering Your Risk
- Cybersecurity Coverage 101*
- Legal Liability 101
- General Session: Risk Management Challenges Member Panel
- General Session: School-Based Law Enforcement Member Panel

Track Continuing Education Credit

At the end of the presentation, a four-digit number will be displayed along with a session evaluation QR code. To verify course completion, scan the QR code, complete the evaluation, and enter the four-digit number and credit type required when

prompted. Attendees must complete the session evaluation form to receive continuing education credits.

Credits will be verified, and certificates will be emailed to attendees within 30 days. Attendees who request TDI adjuster credit will have their credits entered into the Sicon System.

For questions about CEC, please email Melissa Cannon at melissa.cannon@tasb.org.

* Does not qualify for the yearly cybersecurity training requirement.

Fund Services & Coverage

The Fund offers comprehensive coverage, risk management resources, support, and services designed for the unique needs of Texas education entities. Resources, support, and services are offered at no additional cost.

Coverage Lines: Auto | Cybersecurity | Liability | Property | Unemployment Compensation | Workers' Compensation

Risk Management Solutions

Regionally based risk solutions consultants help members prevent workplace injuries, property damage, vehicle collisions, and other losses. Dedicated consultants provide tailored hazard surveys, service plans, and training. Emerging risk consultants bring specialized knowledge on cybercrime and workers' compensation. They work with risk solutions consultants to provide comprehensive risk management consulting and services.

Fund Training Services

Fund training services empower members to take control of their risk management. Live and on-demand webinars cover a range of topics, including compliance, unemployment compensation, and school-based law enforcement. Members also benefit from a suite of interactive online courses that allow them to assign training to their teams and receive documentation of completion for their training files.

Resources

The Fund's website serves as a hub for user-friendly articles, checklists, FAQs, state-mandated workers' compensation forms, training toolkits, and other resources. Filtering options make it easy to zero in on the resources that members need.

Roundtable Map

Session Evaluations

Please take a few minutes to share your feedback on today's sessions and speakers. The input you provide will be helpful as we plan future events.

It should take less than four (4) minutes to complete.

On your computer, visit bit.ly/fund-session-eval.

If you require continuing education credit, please indicate which type. Be sure to include your contact information and the CE Code displayed on screen at the end of the session.

Conference Evaluation and Coverage Credit Drawing

Scan and complete the conference evaluation QR code by Tuesday, April 16, at 11 a.m. to be entered into a coverage credit drawing for \$1,000, \$3,000, or \$5,000 toward next year's coverage (September 1, 2024-August 31, 2025).

On your computer, visit bit.ly/fund-conference-eval.

Enable "Low Vision Mode" on your phone by clicking the button located in the upper right corner. This will increase the font size and limit the number of questions to one per page.

Must be present to win.
