 **HEY YOU**  
**DID YOU KNOW THAT**  
**YOU MATTER?**  
*You absolutely do!*  
Please take a reminder...

You are VALUED.  
You have INFLUENCE.  
You can do NOTHING.  
You are APPRECIATED.  
You are LOVED.  
You are TALENTED.  
You are a DIFFERENCE.  
You are MAKING.  
You MATTER.

# THANK YOU!

## Special Education is monitored in numerous ways.

- Examples
  - Results Driven Accountability (RDA)
  - State Performance Plan (SPP) Indicators
  - State Accountability
  - State of Texas Assessments of Academic Readiness (STAAR)
  - TEA Cyclical Monitoring
  - TEA Dyslexia Monitoring
  - Significant Disproportionality

## Ramifications of Non-compliance

- Action Plans
- TEA Involvement
- Work with attorneys
- Provide additional documentation

Time

- Multiple staff involved
- Litigation is costly
- Pay back money
- Medicaid fraud

Money

- Students
- Staff
- Parents

# Folder Review

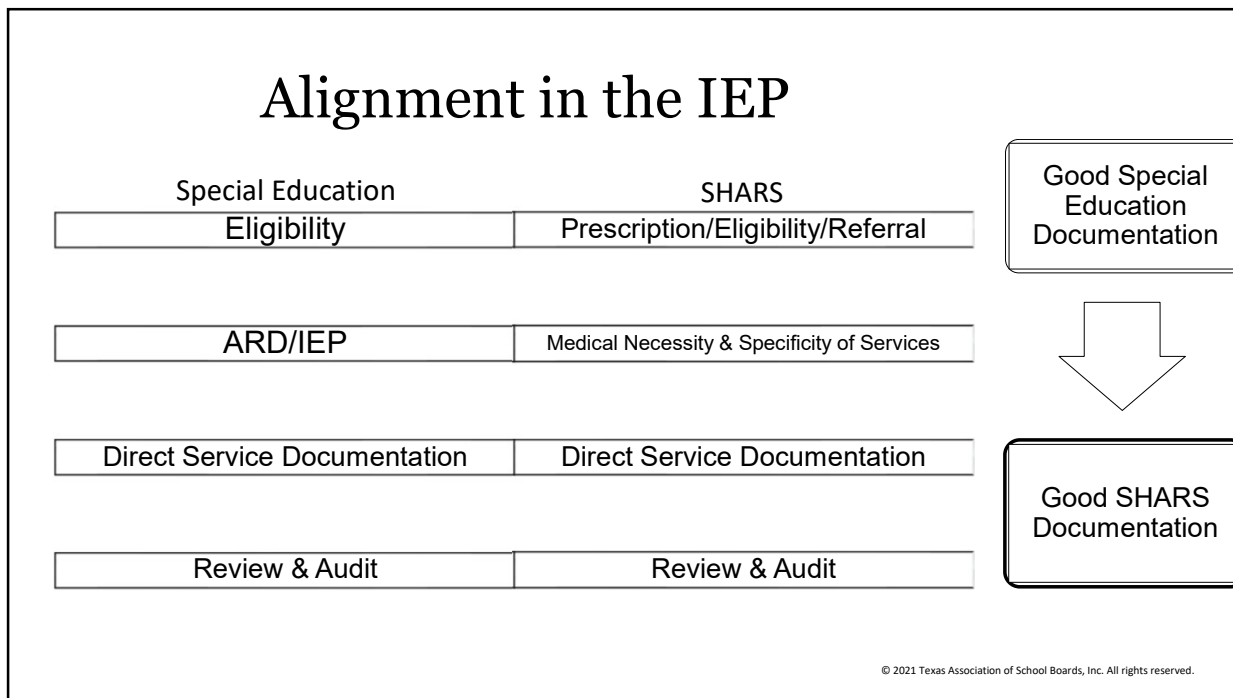

7

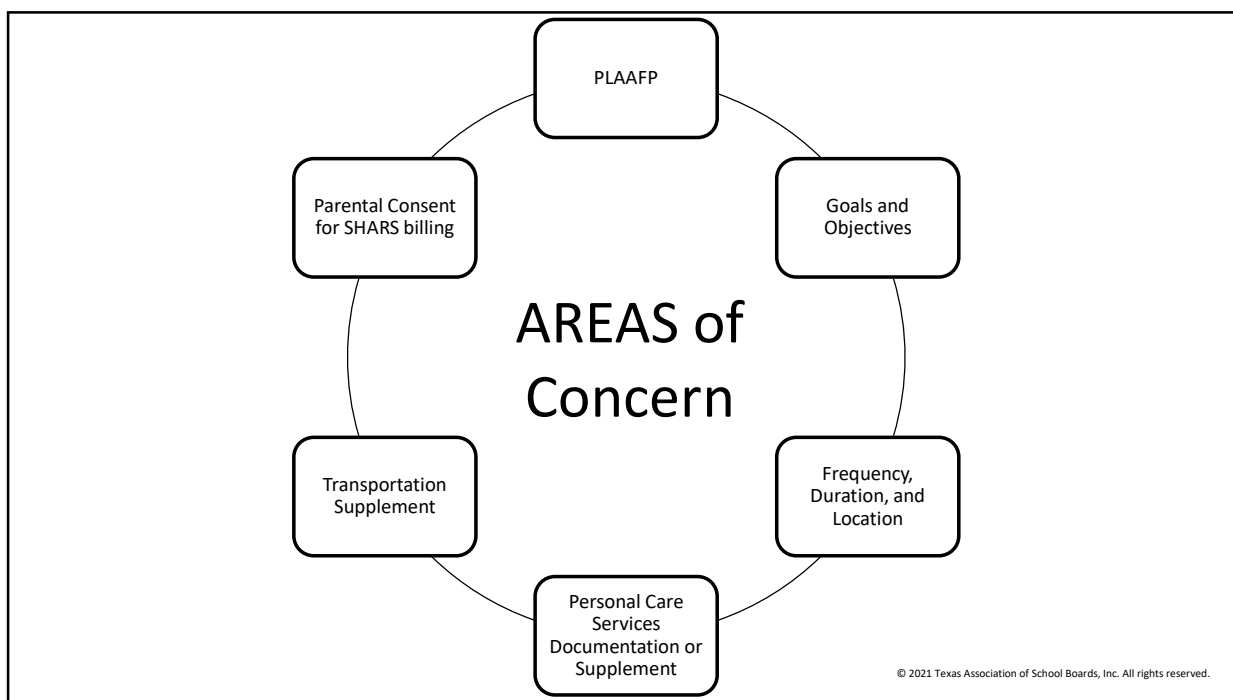

- The purpose of the ARD Committee is to determine the services a student needs in order to receive FAPE.
- The IEP is the written document of the ARD Committee decisions.
- The IEP is not written in order to bill SHARS. SHARS can be billed because the student meets the necessary requirements, and the appropriate documentation is available.

# PLAAFP

- Foundation for the development of the IEP.
- Statement(s) on how the disability affects involvement and progress in the general curriculum
- Academic AND Functional
- Include
  - Clear, objective data
  - Student’s strengths, needs, skill gaps
  - How gaps affect student learning and participation
  - How disability impacts progress in general curriculum
  - Other information to help the ARD Committee plan
- Excellent place to document medical need

**TIP: Create a template and/or a checklist for staff**

# Goals and Objectives

- Measurable annual goals
  - Meet student’s needs that result from their disability in order to be involved and progress in general curriculum
  - Address EACH of the child’s other educational needs that result from the disability
- Must include
  - Timeframe = amount of time in the goal period, usually number of weeks or an end date
  - Condition = resources or supports needed
  - Behavior = performance being monitored, an action that can be observed and measured
  - Criterion = how much, how often, or to what level the behavior must occur to show the goal has been achieved
- Objectives are required for a student taking an alternate assessment

12

## Frequency, Location, Duration

- Clearly stated in a manner that can be understood by all
- Required for EACH IEP service or support
- Impact coding and funding
- Frequency – daily or weekly increments
- Duration – number of minutes and start/end dates

TEA Frequency, Location, Duration

13

## Personal Care Services

- Medical necessity established in FIE and the IEP
- Service based on identified handicapping condition
- Does not include time other services are provided
- Include
  - Individual, group, both
  - PCS activities
  - Frequency, location, duration
  - Reason(s) for PCS

Personal Care Services Is/Is Not

14

## Transportation

- Specialized transportation is not the same as special transportation.
  - Provided to/from a Medicaid service for the day the claim is made
  - Medicaid service is in IEP
  - IEP includes the type of adaptation required and why the student needs the adaptation
  - Student requires transportation in a school bus adapted to serve the needs of a student with a disability
- A specially adapted vehicle has been physically modified
  - Air conditioning
  - Wheelchair lift
  - Harnesses or protective restraint devices
- If all buses in the district have these features it is not considered a special adaptation.
- Bus monitor is not a special adaptation but may be billable as PCS with correct documentation.

TIP: Carefully review the transportation supplement to ensure all information is included and accurate.

15

## Parental Consent

- Must obtain written parental **consent** before releasing a child's personally identifiable information for billing purposes to a public benefits or insurance program for the first time.
- Required to notify parents
  - Third-Party Liability information (TPL)
  - Participation in SHARS is optional
  - Right to withdraw at any time
- Written parental **notification** is required annually thereafter.
  - District will decide how this notification will occur
    - Annual ARD Committee meeting
    - Beginning of each school year

TIP: Establish a process for notifying relevant staff if a parent withdraws consent.

# Folder Review Process

18

- ❑ Establish a systematic folder review process to ensure that documentation is
  - ❑ Consistent with best practices,
  - ❑ Meets requirements in local, state, and federal regulations,
  - ❑ Assures that students are receiving necessary and appropriate services,
  - ❑ Includes necessary SHARS information.
  
- ❑ Use a spreadsheet or checklist to capture relevant information
  - ❑ <https://www.tasb.org/members/services/student-solutions-online/>
