## Nomination Criteria

Your nomination should highlight the nominee's accomplishments in at least one of these three areas.

### Quality and Safety

Led or significantly contributed to measurable improvements in patient care and safety.

### Patient Experience

Consistently provided stellar patient experiences that exceeded expectations or led efforts that measurably improved patient experiences.

**Advocate for the Profession**

Demonstrated a substantial commitment to the profession by achieving significant accomplishments outside of work responsibilities.

Include several paragraphs that specifically explain why your nominee should win. Tailor your examples to what makes the best case for your nominee. Examples of what we look for include:

- Overviews/case studies of the nominee's creative approaches to quality, safety, or patient-experience initiatives
- An overview of the nominee's volunteer activities or other outside-of-work accomplishments related to the profession
- Customer service data or a summary of feedback from patients or co-workers
- Specific research or activities that the nominee is significantly involved in—with measurable results, if available
- Lists of the nominee's recent presentations or publications
- Anything you think makes your nominee stand out as an outstanding R.T. professional

\*Provide one to two paragraphs of explanation
