

ROAD TRIP ADVENTURES

# DRIVE THE DREAM

DRIVE THE DREAM IS AN INVITATION TO LEAVE THE EVERYDAY BEHIND, HIT THE OPEN ROAD AND CONNECT WITH SOMETHING UNSPOILT IN WESTERN AUSTRALIA.

Western Australia is brimming with wondrous road trip adventures.

Our global campaign encourages High Yield Travellers to embrace the freedom of a West Australian road trip — an adventure that unlocks one-of-a-kind experiences and the chance to truly reconnect.

Drives that take you through dreamlike landscapes and into wondrous worlds. A place where connecting with the land helps you reconnect with yourself.

# DRIVE THE DREAM

For those seeking the freedom to embark on new adventures, step outside of the everyday and hit the open roads.

Just like a dream, sometimes everything is quite real, sometimes quite otherworldly.

This is an invitation to connect with something unspoilt in Western Australia. A dreamlike place, brimming with otherworldly landscapes, big sky country, and unique experiences. A place where connecting with the land helps you reconnect with yourself.

## THE CAMPAIGN

'Drive the Dream' is an experience-led campaign that forms part of the 'Walking On A Dream' brand extension creative set.

The global campaign was launched on paid, earned and owned channels in priority domestic and international markets on 28 September 2023, continuing with a second iteration that launched on 17 September 2024.

Creative showcases road trips from across the State's five incredible regions.

## SHOW

Inspire travellers by using otherworldly road trips imagery from our Image Library. Use supernatural contrasts of colour and texture. Seek out unexpected angles and perspectives that inspire the 'Spirit of Adventure' in travellers. Capture people and emotion — sometimes up close, sometimes from afar — that engages the viewer and draws them into the scene.

## SHARE

Use #WAtheDreamState in your social media posts and tag us. Follow our social media channels and share the short film with your audience.
