Enter the following. To avoid typos, copy and paste. No spaces before or after are allowed:

Flexcon PO email: Pick one based on your company's location

- Northeast and Canada Orders: <u>NECNOrders@flexcon.com</u>
- Eastern and Mid US Orders: <u>EasternOrders@flexcon.com</u>
- Central US Orders: <u>CentralOrders@flexcon.com</u>
- Western US Orders: <u>WesternOrders@flexcon.com</u>

Server URL Address: <u>http://labeltraxx.flexcon.com/labeltraxxservice.asmx</u>

Server NameSpace: http://LabelTraxx.flexcon.com/labeltraxx/

UserName and **Password:** Use the email address and password registered at <u>www.flexcon.com</u>. See the registration steps at the top of this document.

Click Test Connection

If **Test Connection** generates an error be sure the **URL** and **NameSpace** are correct, with no spaces before or after and identical upper- and lower-case letters. Sometimes when lines are copied and pasted a space needs to be removed from the end.

Click Test eMail

Flexcon orders are placed via email to Label Traxx. If **Test eMail** generates an error go to **System Constants > Email**
