

Global Corporate Giving Report

Highlights as of the End of 2022

*Source: 2022 employee survey **Excludes matching gift program donations

Our giving is rooted in two focus areas to drive meaningful change:

Every Heartbeat Matters (EHM) is committed to improving the lives of 2.5 million additional underserved structural heart and critical care patients by the end of 2025.

Community giving seeks to strengthen communities where employees live and work focused on underserved and/or under-represented people and engaging employees to deepen our impact.

Our Programs

Annual funding cycle: partnering with global charities to provide EHM and Community charitable organizations with programmatic financial support

Humanitarian technology donations: increasing access to Edwards donated technologies for clinicians treating underserved patients

EHM Pro Bono Corps: strengthening the capacity and impact of our EHM partners with Edwards employee talent and expertise

Employee charitable activities: pursuing our aspiration of 100% employee participation in charitable activities annually

Charitable board of director placement and development: connecting and elevating employee passions and leadership to deepen charitable impact

Employee matching gifts: amplifying the generosity of employee financial contributions to charities

Heart to Heart Relief Fund: supporting employees facing financial hardship after a natural disaster or a personal crisis

In-kind donations: donating computers, furniture, etc. to support charitable organizations
