HP LI ION & XR

PERFORMANCE

The Lithium Ion powered vehicle exceeds all expectations with increased hill-climbing capabilities and high-power acceleration. No other vehicle in the industry can compete with its powerful motor and broad range of programmable drive modes.

SAFE & RELIABLE

With a state-of-the-art battery management system, the battery pack is completely protected from the elements in a self contained, water-tight metal battery case. For added peace of mind, the Onward HP Li-ion comes with an industry-leading 6 year battery warranty.

MAINTENANCE FREE

The Lithium Ion battery is completely maintenance free. Long gone are the days of watering and cleaning your batteries. No matter your plans, you can always expect consistent performance with the Onward HP Li-ion.
