

Tempo™

Club Car®

ELEVATE YOUR GAME

The award-winning Tempo continues to exceed industry expectations, delivering a smooth, comfortable ride and connected touchscreen technology no other golf car can match. With a distinctive design and golfer-first features, it's available in 2-passenger models, with a standard electric engine or an energy-saving Lithium Ion battery—and can be endlessly customized to suit your course's needs.

Designed with automotive styling, the Tempo is backed by proven engineering and a reputation for reliability. Plus, available connected technology supports course management and golfer entertainment.

Club Car®

SAVE 50% IN ELECTRICITY COSTS

With the Club Car Tempo™ Lithium Ion

THE 14 HP COMMAND PRO® EFI ENGINE FROM KOHLER & CLUB CAR MAKES YOUR JOB EASIER IN MANY WAYS.

- **Automotive-Grade, Closed-Loop EFI** continuously adjusts engine performance based off an internal oxygen sensor for excellent fuel economy and more reliable starting and performance in any environment.
- **Onboard Diagnostics, Accessible on your Laptop or Smart Device** quickly identify engine issues to keep your vehicle running and decrease maintenance time.
- **Reduced Oil Changes** maximize uptime and your bottom line, thanks to an industry-leading oil change interval recommendation (every 200 hours*).
- **Quieted Metal Components** Specialized material used for the engine's blower housing and valve cover effectively suppresses undesirable engine noise for an enhanced acoustic experience.

*After first oil change at 100 hrs

NEW!
AUTO PARK BRAKE

with
Patented

STOPSMART™
TECHNOLOGY

- **Electronic Park Brake System:** Automatically stops the car based on registered speed—no more stomping to park the vehicle
- **Responsive Mechanical Braking:** Enjoy a consistent, reliable feel – no “squishy” braking like competitors’ drive-by-wire systems
- **Independent Braking Systems:** Service and park brakes function independently for increased reliability
- **StopSmart Technology:** This technology gradually slows the vehicle, preventing abrupt stops on the course for drivers and passengers

OPTIONAL and ONLY AVAILABLE
on Tempo Lithium 2 Passenger and
Tempo Lithium 2+2 Vehicles

The Lithium Ion Difference

High-performing and packed with the latest technology, our Lithium Ion golf cars save time, increase car reliability, and conserve energy to improve the overall performance of operations. When it's time to power up, the fast charging times and ability to hold a charge across multiple rounds keep Lithium Ion-powered cars on the course and out of the barn.
