

Villager

Club Car

DELIVERING PREMIUM, DURABLE TRANSPORTATION

A long time classic on resort, university, and other campus settings, Club Car's Villager transportation vehicles can move up to eight passengers in a single trip and can replace expensive vans. Yet it can also travel narrow areas not accessible to conventional vehicles.

Villager

OUR MOST STYLISH AND SOPHISTICATED TRANSPORT VEHICLE YET

Club Car Villager vehicles offer industry-leading performance and durability and allow you to streamline your operation with comfortable, reliable transportation. These vehicles are equipped with a stylish automotive design and a spacious cabin, which provides a comfortable space for operators and ease of ingress/egress for passengers.

KEY PRODUCT FEATURES & OPTIONS

The new Villager includes safety-enhancing features such as LED headlights (with daytime running lamps), a four-wheel braking system, turn signals, tail/brake lights, and a horn to ensure that your guests arrive safely.

LED Headlights with Daytime Running Lamps standard

Multiple options available to enhance style and comfort

LED Tail Lights and Turn Signals standard

Easy-to-Clean, Durable, Marine-Grade Vinyl Seats

Convenient Fold Down Rear Seat

Optional 3-Sided Rain Enclosure
