

Acknowledgement of English Proficiency

I _____, have applied for admission to the Study Group International Study Center pathway program at Texas A&M University – Corpus Christi.

I understand that either:

- a) the TOEFL or IELTS English test scores submitted with my application qualify me for direct entry into a Texas A&M University – Corpus Christi degree program.
- b) The English waiver applies as a result of my years of study in an English-waiver country which qualify me for direct entry into a Texas A&M University – Corpus Christi degree program.

Despite my qualifying English test scores, I wish to participate in the International Study Center pathway program. I agree to take an English language proficiency test upon arrival and agree to enroll in the assigned study plan, which will include at least one English for Academic Purpose class. The credit I earn in any English for Academic Purpose class will not be applied to my Texas A&M University – Corpus Christi degree program.

I understand that I will be unable to matriculate into a degree program until I successfully complete the International Study Center program.
