THE INTERNATIONAL STUDY CENTRE WELCOMES YOU

Here at the University of Strathclyde International Study Centre, we are dedicated to providing specialist degree preparation for international students.

Our programmes combine academic modules, study skills and English language training. These skills are designed to provide you with the best opportunity to succeed when you progress onto your degree programme at the University of Strathclyde.

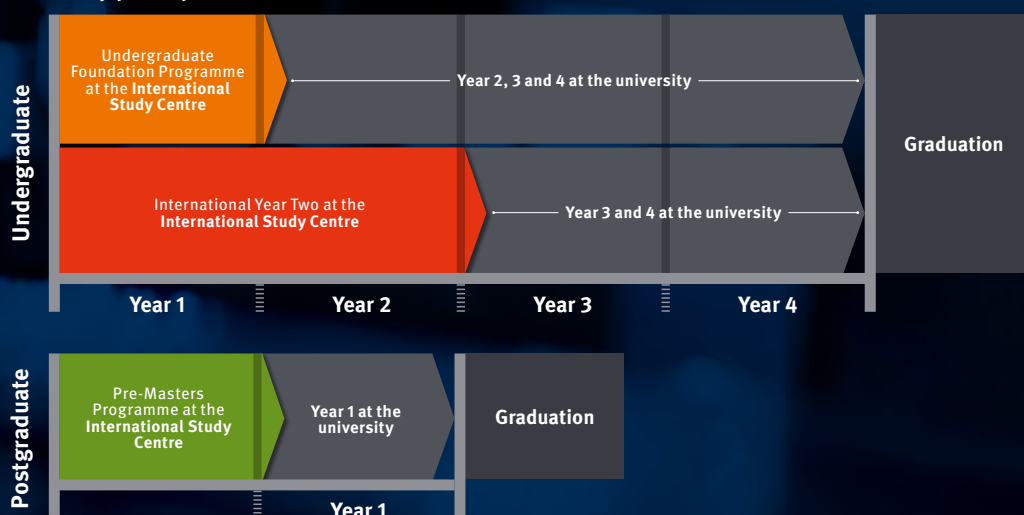

You will be part of the University from the day you start studying at the International Study Centre. As well as benefitting from resources at the International Study Centre, you will have access to all the University's facilities. These include a £31 million Sport, Health and Wellbeing facility, new £60 million Learning & Teaching building and the University's welcoming library.

The International Study Centre introduces you to the style of teaching that you will experience when you progress on to your degree at Strathclyde. This includes tutorials, seminar-style classes and some large group lectures.

Whilst at the International Study Centre, you will be able to begin your academic journey in a supportive and welcoming environment. You will be assessed regularly throughout the course to help us monitor your progress, and experienced staff are always available to help you with anything you need, both inside and outside of your academic studies.

99% of International Study Centre students who completed their course were offered a place to study at the University of Strathclyde in 2022

DISCOVER STUDYING IN GLASGOW, SCOTLAND

LOCATION

Glasgow is one of Scotland's largest, most vibrant cities.

The city has an abundance of sights to see, as well as exciting food, music and sports scenes. It is a compact city that is full of culture. Additionally, Glasgow has excellent transport links that make it easy to visit the rest of the UK, EU and the world.

Cultural highlights include:

- Famous artworks at the Kelvingrove Art Gallery and Museum, and Gallery of Modern Art
- Riverside Museum, displaying many objects from Glasgow's history
- Touring the city's striking street art (look out for the Panda or Spaceman)
- Multicultural food scene at the West End, including traditional Scottish fayre
- Two of the UK's major football teams – Rangers F.C. and Celtic F.C.

ACCOMMODATION

We can help you choose the right accommodation for you, and ensure you settle in with ease.

While studying a programme at the International Study Centre, you can find your home abroad through Student Roost, an award-winning student accommodation provider, or have the option to arrange accommodation independently.

If you are younger than 18 at the start of your programme, you must stay in our approved accommodation, to which you will be invited when you confirm your place and payment plan.

Note: The accommodation options will vary depending on your start date. For up-to-date information, please visit isc.strath.ac.uk/international-study-centre/accommodation

UNIVERSITY FACILITIES

At the University of Strathclyde, the campus has everything you need for an unforgettable student experience.

Facilities include a state-of-the-art library, a brand-new student union, restaurants and many student societies and clubs you can join.

As a student here, you can enjoy:

- A brand-new Students' Union building with games area and bars
- Over 200 clubs and societies
- Access to Strathclyde Sport, home to over 50 sport and fitness clubs
- The Student Media Centre
- The Strathclyde International Society.

Glasgow is **ranked 4th best student city** in the UK

QS Best Student Cities 2024

UNDERGRADUATE FOUNDATION PROGRAMME

This programme provides progression to the second year of a four-year undergraduate degree at the University of Strathclyde.*

The Undergraduate Foundation Programme is specially designed for international students. It provides English language and academic support that prepares you fully for an undergraduate degree study at the University.

Once you complete your pathway programme and achieve the required grades, you can start the second year of your degree at the University.^

You can choose from two pathways:

- Business and Social Sciences
- Engineering and Sciences

KEY FACTS

INTERNATIONAL YEAR TWO

This programme provides an accelerated route to the third year of a four-year undergraduate degree at the University of Strathclyde.*

The International Year Two is equivalent to the second year of a Scottish undergraduate honours degree. It is designed to support international students who perform well-above the level needed for entry to the Undergraduate Foundation Programme.

During your time with us at the International Study Centre, you will develop your English language skills and study subject-specific modules, before completing the final two years of your undergraduate degree at the University.

By completing the International Year Two programme and achieving the required grades, you can progress to the third year of a four-year undergraduate degree.*

You can choose from two pathways:

- Business†
- Civil Engineering

KEY FACTS

Programme length: 2 semesters/3 terms

Entry dates: September or January

Entry Requirements

Academic: Good high school graduation grades or equivalent academic study plus one year of further study^

English language (Business): Academic IELTS for UKVI 5.5 overall (with minimum 5.0 in writing and 4.0 in other areas)

English language (Civil Engineering): Academic IELTS for UKVI 5.5 overall (5.5 in writing and 5.0 in other areas)

Age: 17+

*Some exceptions apply; the Business Administration BBA offers the second year entry of a three-year undergraduate degree.

†Subject to programme re-approval.

^For the Civil Engineering route, secondary school-level Physics and Maths qualifications required.

How to apply

You will need to complete an application form and submit the relevant documentation.

You can apply through your local education agent. Alternatively you can apply directly via our website and one of our dedicated Student Enrolment Advisors will be happy to provide support through every step of the application process.

Full information on how to apply, fees, entry requirements and more, visit isc.strath.ac.uk/how-to-apply

The International Study Centre programmes are provided by Study Group in collaboration with the University of Strathclyde.

Disclaimer

This guide is intended as a general guide for students considering entry to the University of Strathclyde International Study Centre from September 2023. University of Strathclyde International Study Centre is operated, and its programmes offered by Study Group Limited ('Study Group'). This guide forms no part of any contract between you and Study Group except as provided below. The guide is prepared in advance of the academic year to which it relates, and Study Group makes every effort to ensure that the information contained here is accurate.

Although reasonable steps are taken by Study Group to provide the programmes and services described, Study Group cannot guarantee the provision of any programme. Any programme may be altered or withdrawn owing to circumstances beyond Study Group's reasonable control.

Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, change in government policy, withdrawal, or reduction of funding, change of law or changes necessitated by pandemic or epidemic. Study Group will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a programme and we will notify you of such alteration or withdrawal as soon as possible. Such steps may include the offer of a place on an alternative programme.

Please note that University of Strathclyde International Study Centre's website is the most up-to-date source of information regarding programmes and facilities, and we strongly recommend that you always visit the website before making any commitments.
