

STUDYCARE INSURANCE GUIDE

TRAVEL, ACADEMIC AND MEDICAL INSURANCE

THE IMPORTANCE OF INSURANCE

Purchasing an insurance plan comes with a wealth of benefits designed to provide peace of mind should things not go to plan.

WHY YOU SHOULD CONSIDER INSURANCE

Our students' safety is our number one priority. While not mandatory, taking out an insurance policy is strongly recommended. The costs of not being insured can add up, becoming expensive and stressful – the last thing you want whilst studying abroad.

Insurance helps protect you from unexpected accidents and circumstances that may impact your health, belongings or travel plans.

Our insurance package has been designed specifically with students in mind, providing extensive coverage that allows you to fully make the most out of your time studying abroad in the UK.
