

## **Acknowledgement of English Proficiency**

I \_\_\_\_\_, acknowledge that I have submitted my

(Student Name)

application to Study Group for the International Study Center. I have also been fully informed that the English proficiency score submitted with my application meets the minimum language requirement for the 1 semester pathway program at the university. I further acknowledge that I prefer to participate in a longer pathway program at the International Study Center, and that my placement will not be shorter than the 2 semester placement.

I understand that I will be tested upon arrival, and will be expected to complete the assigned study plan at the International Study Center before progressing to the full degree program at my chosen university.

I acknowledge that by signing this document, I will no longer be eligible for the 1 semester program.
