Prepare for your future success

The University of Huddersfield is modern, successful and innovative, with a great reputation for helping students succeed in their chosen career. Whether you are interested in creative arts, computing, engineering or business, there is a course at the International Study Centre to suit you.

Study Group has been in collaboration with the University of Huddersfield for more than twelve years, and our courses have prepared thousands of students from around the world for the challenges of degree-level study.

“

I remember the first day of my undergraduate degree, everyone came from college or somewhere else, and I was already here. I knew the University. I knew the whole campus. I've made friends already and it just made it so smooth.”

Bashar, Kuwait

Studied: International Foundation Year in Engineering, Computing and Science
Graduated with: Chemical Engineering BEng (Hons)

See yourself in Huddersfield

The University of Huddersfield is a campus-based university located in West Yorkshire, in the north of England. Huddersfield is a historic market town close to beautiful countryside and exciting big cities. Home to more than 17,000 students, the town has a thriving student community. There's a lively scene filled with cafés, bars and restaurants, and it is also close to some of the country's most famous national parks.

Here, you can experience authentic British life, spending time shopping or going out in town or enjoying the countryside by walking, cycling or riding horses. Additionally, if you want a big city experience, the major cities of Leeds and Manchester are less than 30 minutes away by train.
