Welcome

I am delighted that you are considering enrolling at the International Study Centre (ISC) here at the University of Sussex. Your ISC studies are carefully designed to prepare you for our Sussex undergraduate or postgraduate degree programmes.

As you will discover, we are a warm and welcoming community, with students and staff from across the globe, enjoying our beautiful green campus close to the vibrant coastal city of Brighton and Hove.

I look forward to seeing you here.

Professor Sasha Roseneil
Vice-Chancellor
University of Sussex

At the University of Sussex International Study Centre we help you to take that important next step towards academic success. You will have the complete UK student experience: classes with inspirational and creative tutors, support from our dedicated student experience team and opportunities to make lifelong friends from all over the world.

You’ll find us 10 minutes from the sunny seaside resort of Brighton, surrounded by the South Downs National Park, and with easy access to London.

We look forward to welcoming you very soon!

Martin Torjussen
Centre Director
University of Sussex
International Study Centre
Experience a life-changing education
SUCCEED IN THE WORLD

RESEARCH THAT DELIVERS
Research is the pathway to progress at the University of Sussex. It is internationally recognised for drawing together leading academics from different disciplines – an approach that delivers the most powerful and meaningful results.

TEACHING THAT COUNTS
Teachers and professors deliver courses designed to inspire you, helping you to develop skills that make your education count, and giving you the confidence to make your mark in your chosen field. Teaching at Sussex is underpinned by research, so you’ll be at the forefront of knowledge in your subject.

LOCATIONS THAT INSPIRE
The Sussex campus has a unique combination of tranquillity and energy, surrounded by a National Park. You can explore the beautiful hills and woodlands of the South Downs whenever you want to. Adversely, it is only nine minutes by train from Brighton – a vibrant seaside city famous for its pier, beach, shops and thriving art and music scenes.

COMMUNITY THAT WELCOMES
Each year, Sussex gains almost 6,000 new international students from more than a hundred countries, including China, India and Nigeria. The result is a genuinely multicultural campus that helps you see the world, and your future, in a new way.

37th in the world
Times Higher Education Impact Rankings 2022

41st in the UK
The Complete University Guide 2023

1st in the world for Development Studies
QS World University Rankings by Subject 2022

89% of the University research is considered “world leading or internationally excellent”
Research Excellence Framework 2021
Brighton, a city that excites

CREATIVE AND VIBRANT
University of Sussex is a short train ride from Brighton, one of the UK’s most vibrant cities. The city is famous for its beautiful seafront, unique shops and markets, and thriving music and art scenes. Brighton also has more than 400 restaurants and cafés, serving cuisine from around the world with food festivals taking over the city’s streets throughout the year. Each year, millions of inquisitive tourists visit this inspirational city to experience its friendly and creative atmosphere.

SEASIDE ESCAPE
Brighton’s pebble beach is perfect for meeting up with friends for fish and chips, or simply enjoying fresh air and sunshine. You can go for a walk along the promenade or have a go at water sports, such as stand-up paddle boarding. The city’s Palace Pier, dating back to 1899, is full of charm with its colourful fairground rides, games arcades and food stalls.

BEAUTIFUL COUNTRYSIDE
Brighton is surrounded by the South Downs National Park. This means that you’ll have the opportunity to enjoy stunning views and go for peaceful walks. If you’re feeling adventurous, you can also try hiking, mountain biking or even paragliding.

More information
isc.sussex.ac.uk/why-sussex/brighton
PERFECT LOCATION
The Sussex campus is in a unique location – surrounded by beautiful and peaceful countryside, but also only a short distance from the lively city of Brighton. If you want to explore the rest of the UK, central London is within an hour of Brighton and Gatwick Airport is just 30 minutes away by train.

EVERYTHING YOU NEED
If you are keen to stay closer to campus, at Sussex, you can. You’ll find everything you need to live and study comfortably here, from modern classrooms and labs to cosy coffee shops, bars and restaurants. There’s also a supermarket, launderette, post office, dentist, pharmacy, health centre and a whole range of sports and fitness facilities.

RELAX AND SOCIALISE
The University of Sussex Students’ Union arranges fun student events and activities throughout the year. Choose from comedy and quizzes to gigs, live music and student-led DJ nights.

10 minutes from the campus to Brighton by train
30 minutes from Brighton to Gatwick Airport by train
1 hour from Brighton to central London by train

Your International Study Centre
YOUR INTERNATIONAL STUDY CENTRE

The University of Sussex International Study Centre will help you develop your confidence, boost your English language skills and give you the academic knowledge you need to succeed at Sussex, and beyond.

TAKE THE FIRST STEP
Courses at the International Study Centre will prepare you for studying an undergraduate or postgraduate degree at the University at Sussex.

Choose from:
- International Foundation Year: prepares you to start the first year of an undergraduate degree
- International Year One: prepares you to join the second year of an undergraduate degree
- Pre-Masters Programme: prepares you to start a postgraduate degree

SETTLE IN
We are committed to helping you have an unforgettable experience at Sussex. Our friendly staff at the International Study Centre will be on hand to provide support and advice, and we’ll organise a range of exciting activities to help you get used to living in the UK. You will also have full access to university facilities, so you can get involved with campus life from day one.

STAY ON TRACK
Our tutors are experts in teaching ambitious international students like you. We will review your progress on an ongoing basis to ensure that you are developing to the best of your ability. We will tailor our support to match your individual needs, encourage you to reach your goals and help you make your future.

BUILD YOUR CONFIDENCE
You will learn in a supportive environment that offers small class sizes and individual tutor attention. We will develop your confidence and introduce you to university style assessment and teaching, so that you know exactly what to expect when you start your degree. You will take part in seminars, tutorials and lectures, learn how to give effective presentations and take part in classroom discussions.

FOCUS ON YOUR CAREER
We know that you may already be thinking about your future career, which is why we have integrated Skills for Success into our academic courses at the International Study Centre. We will guide you towards making the right choices and give you the tools you need to stand out in the competitive graduate job market.

93.8% of students who completed their ISC course progressed to a degree course at the University of Sussex in 2022

Prepare for your future career

At the International Study Centre, we care about your academic success - as well as your career once you graduate. With your future career in mind, we have integrated a variety of employability activities into our academic courses at the International Study Centre. These employability activities are designed to give you a head start in today’s competitive graduate employment market by helping you become a confident, highly-skilled and employable graduate.

All activities are tailored to your level of study, whether you are preparing for undergraduate or postgraduate study. With our support you will identify your strengths, develop your skills for success and focus on areas for improvement, enabling you to maximise your chances of success at the University of Sussex and achieve your future goals.

“I feel more confident and comfortable with my future career because I’ve developed the skills that will help me progress.”

GENERAL ENTRY REQUIREMENTS

ACADEMIC
Good high school graduation grades or equivalent

ENGLISH LANGUAGE
Academic IELTS for UKVI 5.0 overall (minimum 5.0 in writing) or equivalent

AGE
Applicants must turn 18 or older by the 31st July of the year they are due to complete their ISC course and progress

COURSE FACTS

ENTRY DATES
September or January

LENGTH
Two semesters

STRUCTURE
You will study a variety of academic modules plus Academic English Skills.

COURSE BENEFITS

– Option to change your pathway and/or progression degree
– Access to a wide range of progression degrees
– Teaching style mirrors that of the University, preparing you for undergraduate study
– Ability to further improve your level of English through the three semester course option

YOUR ASSESSMENT
We will assess your progress regularly to ensure you are on track to complete your course successfully, so that you can go on to study your chosen degree at Sussex. You’ll be assessed through many different activities, which may include exams, seminar discussions, group projects, presentations, essays, practical reports and software exercises, depending on your subject route.

CHOOSE YOUR SUBJECT ROUTE

Business, Media and Social Sciences
Offering pathways in:
– Business, Management and Economics
– Film and Media
– Social Sciences, Global Studies and Law

Science and Engineering
Offering pathways in:
– Life Sciences
– Psychology
– Computing
– Engineering

IMPROVE YOUR ENGLISH
If you do not meet the English language requirements to study the International Foundation Year, you can improve your level of English by studying our English language course delivered online.

BUSINESS, MEDIA AND SOCIAL SCIENCES
If you have an interest in studying an undergraduate degree in Business, Media or Social Sciences, this course can take you there. Through this subject route you can gain access to a wide range of dynamic, enterprising degrees that will open up a variety of career options.

CORE ACADEMIC MODULES
At the start of your programme, you will choose one of the following pathways to study:
- Business, Management and Economics
- Film and Media
- Social Sciences, Global Studies and Law

During the programme, you can continue on your chosen pathway, or you can choose to change your pathway and/or final progression degree from any of the routes within the course.

PATHWAY MODULES
In your final semester of study, you will be asked to select three academic modules from 13 available. Your options will depend on the pathway you have chosen, whether you choose to continue with your subject from the previous semester or make a change.

Business, Management and Economics
- Accounting and Finance
- Core Mathematics
- Economics
- Management
- Marketing

Social Sciences, Global Studies and Law
- English Legal System
- International Development
- International Relations
- Sociology: Crime and Deviance

Film and Media
- Creative Media Technologies: Digital Video
- Creative Media Technologies: Photography
- Global Cinemas
- Media and Communications

You will also study Academic English Skills and Skills for Success during the programme.

PROGRESSION DEGREES
BSc (Hons) Accounting and Finance
BSc (Hons) Business and Management Studies
BA (Hons) International Development
LLB Law
BA (Hons) Media and Communications

30th in the UK for Business and Economics
Times Higher Education World University Rankings by Subject 2023

**SCIENCE AND ENGINEERING**

If studying an undergraduate degree in a Science or Engineering field is your goal, you may be suited to this course. Get the opportunity to study one of many technically insightful degrees by studying this subject route, and take the first step to further your career aspirations.

**CORE ACADEMIC MODULES**

At the beginning of your programme, you will choose one of the following pathways:
- Computing
- Engineering
- Life Sciences
- Psychology

You will learn about the fundamental concepts and skills relating to your chosen pathway, as well as two core modules, which are:
- Introduction to Science (Engineering, Maths and Physics (EMP))
- Maths for EMP

During the programme, you can continue on your chosen pathway, or you can choose to change your pathway and/or final progression degree providing you meet the entry requirements.

**PATHWAY MODULES**

In your final semester, you will study four focused modules from the pathway of your choice. These are as follows:

**Computing**
- Computing Project
- Database Design and Development
- Object Oriented Programming with Java
- Website Design and Development

**Engineering**
- Exploring Physics
- Mechanics on the Go
- Mechanics on the Move
- Physics at Work

**Life Sciences**
- Biochemistry and Physiology
- Genetics and Evolution
- Organic and Redox Chemistry
- Physical Chemistry

**Psychology**
- Investigating Psychology
- Key Studies in Psychology
- Psychology in the Real World
- Research Methods in Psychology

You will also study Academic English Skills and Skills for Success during the programme.

**PROGRESSION DEGREES**

Progression from Sciences and Engineering

- BEng (Hons) Automotive Engineering
- BSc (Hons) Computer Science and Artificial Intelligence
- BEng (Hons) Electrical and Electronic Engineering
- BEng (Hons) Mechanical Engineering
- BSc (Hons) Psychology

**14th in the UK**

for Mechanical Engineering

*The Guardian University Guide 2023*

“By virtue of being a Sussex student, and also as an International Study Centre student, you end up understanding that there’s so many opportunities that are presented to you. By having these opportunities, then you can take advantage of them; you’re programmed to be well-rounded.

By being well-rounded, you want to do as much in every different field as possible, so that you can enrich your CV.”

Elmi from Kenya
Studied International Foundation Year in Life Sciences and Psychology
Progressed to BSc (Hons) Biomedical Science
International Year One

**GENERAL ENTRY REQUIREMENTS**

**ACADEMIC**
Good high school graduation grades or equivalent, plus one year of further study

**ENGLISH LANGUAGE**
Academic IELTS for UKVI 5.5 overall (minimum 5.5 in writing) or equivalent

**AGE**
Applicants must turn 18 or older by the 31st July of the year they are due to complete their ISC course and progress

**COURSE FACTS**

**ENTRY DATES**
September or January

**LENGTH**
Two semesters

**STRUCTURE**
You will study a variety of academic modules plus Academic English Skills.

**COURSE BENEFITS**
This course is equivalent to the first year of an undergraduate degree. Its aim is to fully prepare you for joining the second year of your chosen undergraduate degree, so that you can go on to achieve success at Sussex, in your career and in the world.

**WHAT YOU WILL LEARN**
You will study a combination of core and optional subject-specific modules that focus on teaching you the English language, study skills, employability and academic areas most relevant to your chosen degree at Sussex.

**YOUR ASSESSMENT**
We will assess your progress regularly to ensure you are on track to complete your course successfully, so that you can go on to study your chosen degree at Sussex. You’ll participate in exams, seminar discussions, group projects, presentations and essays, for example, as part of your overall assessment.

**IMPROVE YOUR ENGLISH**
If you do not meet the English language requirements to study the International Year One, you can improve your level of English by studying our English language course delivered online.

BSc (Hons) Business and Management Studies
BSc (Hons) International Business
BSc (Hons) Marketing and Management

COMPUTING
Computing is an industry of the future - with an increasing number of businesses seeing the long-term value of computing specialists, there has never been a better time to choose it as your degree specialisation. This subject route will help you get there.

MODULES
- Academic English Skills
- Data Structures and Algorithms
- Further Programming
- Introduction to Computer Systems
- Introduction to Multimedia
- Introduction to Programming
- Mathematical Concepts
- Programming Concepts

PROGRESSION DEGREES
BSc (Hons) Computer Science
BSc (Hons) Computer Science and Artificial Intelligence
BSc (Hons) Computing for Business and Management
BSc (Hons) Computing for Digital Media and Games
MComp Computer Science

ENGINEERING
Technical, practical and offering a variety of well-paid career options, engineering is a rewarding subject to study at university. To study an undergraduate degree in the field of engineering, look no further than this subject route.

MODULES
Semester 1 and 2
- Academic English Skills
- Global Design Challenge
Semester 1
- Engineering Maths A
- Electrical Circuits and Devices
- Materials and Manufacturing Processes
Semester 2
- Electromagnetism and Introduction to Electrical Machines
- Electromechanics
- Electronic Devices and Circuit Prototyping
- Engineering Maths B
- Engineering Mechanics
- Engineering Thermodynamics
- Programming for Electronic Engineering
- Programming, Technical Drawing and CAD

PROGRESSION DEGREES
BEng (Hons) Automotive Engineering
BEng (Hons) Electrical and Electronic Engineering
BEng (Hons) Mechanical Engineering
BEng (Hons) Mechanical Engineering with Robotics

ACADEMIC
Recognised degree in related field or honours degree in any subject

ENGLISH LANGUAGE
One semester course:
Academic IELTS for UKVI 6.0 overall (minimum 6.0 in writing and 5.5 in all other bands) or equivalent

Two semester course:
Academic IELTS for UKVI 5.5 overall (minimum 5.5 in all other bands) or equivalent

AGE
21 years of age, or older

COURSE FACTS

ENTRY DATES
One semester:
January or May

Two semester:
September or January

LENGTH
One or two semesters

STRUCTURE
A range of academic modules per semester, plus Critical Reading, Academic English Skills, Skills for Success and Research Skills

WHY PRE–MASTERS
This advanced course aims to fully prepare you for studying a postgraduate degree, so that you can go on to achieve success at Sussex, in your professional career and in the world. During the programme you will choose which academic modules you will study. This gives you the flexibility to deepen your knowledge based on your career aims and study interests. During the Pre-Masters Programme you also have the option to change your progression degree.

WHAT YOU WILL LEARN
You will study a combination of core and optional subject-specific modules that focus on teaching you the English language, study skills, employability and academic areas most relevant to your chosen degree at Sussex.

YOUR ASSESSMENT
We will assess your progress regularly to ensure you are on track to complete your course successfully, so that you can go on to study your chosen degree at Sussex. You’ll be assessed through many different activities, which may include exams, seminar discussions, group projects, presentations, essays, practical reports and software exercises, depending on your subject route.

CHOOSE YOUR SUBJECT ROUTE

Business, Media and Social Sciences
Offering pathways in:
– Business, Management and Finance
– Film and Media
– Fintech
– Law, International Relations and Social Sciences

Science and Engineering
Offering pathways in:
– Computing and Engineering
– Life Sciences

IMPROVE YOUR ENGLISH
If you do not meet the English language requirements to study the Pre-Masters Programme, you can improve your level of English by studying our English language course delivered online.

More information
isc.sussex.ac.uk/pre-masters
Gain an insight into the core principles in Business, Management and Finance; Law, International Relations and Social Sciences; Film and Media; or Fintech. Throughout the course you will explore key concepts, develop research skills and learn to apply theory to each subject, to prepare you for Masters-level study at Sussex.

You can choose one of four pathways based on your intended progression degree:
- Business, Management and Finance
- Film and Media
- Fintech (two semesters only)
- Law, International Relations and Social Sciences

Whichever pathway you choose, you’ll study a combination of general and specialist modules to improve your knowledge and skills and prepare you for postgraduate study. You’ll have the option to change your final progression degree but not your pathway.

**CORE MODULES**
- Academic English Skills
- Skills for Success
- Critical Reading
- Research Skills

**ACADEMIC PATHWAY MODULES**

**Business, Management and Finance**
- Business Environment
- Finance and Investment
- Management and Leadership
- Marketing and Human Resources Management

**Film and Media**
- Approaches to Film and Media
- Media and Critical Practice

**Fintech**
- Data Analysis and Modelling
- Finance and Investment
- Mathematical and Statistical Methods

*Two semesters only

**Law, International Relations and Social Sciences**
- Global Issues
- International Relations and International Development
- Key Concepts in Law and Criminology
- Key Concepts in Law and Politics

**PROGRESSION DEGREES**
- MSc Banking and Finance
- MA Digital Media
- MA Education
- MA Film Studies
- MSc Fintech, Risk and Investment Analysis
- MSc Human Resource Management
- MSc International Management
- MSc Management
- MSc Management and Finance
- MSc Marketing and Consumer Psychology

**More information**
For up-to-date lists of all Pre-Masters Programme progression degrees, and module descriptions, please visit isc.sussex.ac.uk/our-courses/pre-masters/business-media-and-social-sciences
Throughout the course you will explore key concepts and theory and learn how research skills can be applied in scientific enquiry, in order to prepare you for Masters-level study at Sussex. You will develop an understanding of the core principles underpinning either Computing and Engineering, or Life Sciences, alongside learning how to confidently use a wide range of tools, including mathematical and statistical techniques and to develop academic skills and conceptual knowledge relevant to your pathway. You can choose one of two pathways based on the progression degree of your choice:
– Computing and Engineering
– Life Sciences

**CORE MODULES**
– Academic English Skills
– Skills for Success
– Critical Reading
– Research Skills

**ACADEMIC MODULES**

**Computing and Engineering**
– Applications in the Global Context
– Data Analysis and Modelling
– Design and Prototyping
– Mathematics for Computing and Engineering
– Programming and Systems Control

**Life Sciences**
– Life Sciences: The Cutting Edge
– Mathematical and Statistical Methods
– Raising Questions in Life Sciences
– Research Methods in Life Sciences
– The Scientific Practitioner

**PROGRESSION DEGREES**
– MSc 5G Mobile Communications and Intelligent Embedded Systems
– MSc Advanced Computer Science
– MSc Advanced Electronic and Electrical Engineering
– MSc Advanced Mechanical Engineering
– MSc Artificial Intelligence and Adaptive Systems
– MSc Cancer Cell Biology
– MSc Computing with Digital Media
– MSc Climate Change, Development and Policy
– MSc Data Science
– MSc Engineering Business Management

Studied Pre-Masters in Business, Management and Finance
Support that matters

HERE TO HELP
We know that living and studying away from home can be challenging at times, which is why our student support staff at the International Study Centre are here to help. Whether you need advice about your course or you simply need to talk, we’ll be there to support you so that you can enjoy your Sussex student experience to the full.

SUPPORT NETWORK
The University of Sussex has excellent support services, such as the Student Life Centre where you can get advice and guidance on issues such as accommodation, fees, disabilities, mental health and learning needs. Friendly and experienced support staff also run groups and workshops to help you with university life.

HEALTH SERVICES
There’s a dentist, pharmacy and a health centre on campus, in case you ever feel unwell or need help with a health issue. You’ll also have access to a drop-in centre in central Brighton where you can get medical treatment.

PLACES OF WORSHIP
Sussex supports students from a range of different cultures and backgrounds. The Meeting House is the on-campus chaplaincy that hosts services for a range of faiths and religions, including the Jewish community. There’s also a Muslim Student Centre and Muslim prayer facility.

STUDENT INSURANCE
While studying in the UK you will need to have personal insurance. StudyCare Insurance Plus is an insurance policy that covers you for loss of personal possessions. It also gives you health and medical insurance for the duration of your studies at the International Study Centre.

DISABLED ACCESS
Sussex welcomes students of all abilities. The University has dedicated services and specialist staff who can provide information on a range of disabilities. Most of the academic buildings are accessible by wheelchair and you’ll find disabled parking, tactile paving and handrails around the campus.

WELCOME HOME
Living in student accommodation is the best way to experience student life at Sussex. You’ll make friends from around the world, have fun and learn to live independently within a supportive student community.

STUDENT ROOST ACCOMMODATION
We’ve partnered with Student Roost, a leading student accommodation provider in the UK. Conveniently located between the University of Sussex campus and Brighton city centre, our accommodation options provide you with the flexibility and quality you expect to make your journey to the UK as smooth as possible. Located in Brighton, the new Hillfort House Roost is a short walk, cycle or bus ride away from the University of Sussex International Study Centre. With fast Wi-fi, gym and social spaces available to you from the day you move in, this brand-new accommodation building provides you with a wide range of facilities you require to make your journey to the UK as smooth as possible.

WITH STUDENT ROOST YOU CAN BENEFIT FROM
– 24/7 staff on site
– In-house house keeping
– High speed Wi-fi
– Spacious Communal Areas
– Courtyard
– Gym
– Study Room
– Contents Insurance
– Flexible Payment Terms
– Onsite laundry facilities
– Maintenance team
– Secured Deposit.

PRIVATE ACCOMMODATION
Brighton is a friendly city with a range of private accommodation available. If you are booking your own accommodation privately it is important that you let us know where you are staying and that you are staying less than 60 minutes away from the University of Sussex International Study Centre.
