

How to travel between our two locations

Main ISC building

**4th Floor - Cardiff University Students' Union
Park Place
Cardiff
CF10 3QN**

Based in the heart of the University's Cathays Park campus, the International Study Centre's main location is within the Students' Union building.

This is where you will find the main International Study Centre reception and support staff including the Welfare and Student Experience teams.

As one of the top 3 Students' Unions in the UK, it offers an amazing student experience with a variety of facilities including a hairdresser's, food outlets, bank, prayer room, IT help and The Jobshop.

Distances from our main building:

- Cathays train station → 2 min walk
- Bute Park → 10 min walk
- City centre → 15 min walk

University Hall

**University Hall - Birchwood House
Birchwood Ln,
Cardiff
CF23 5YB**

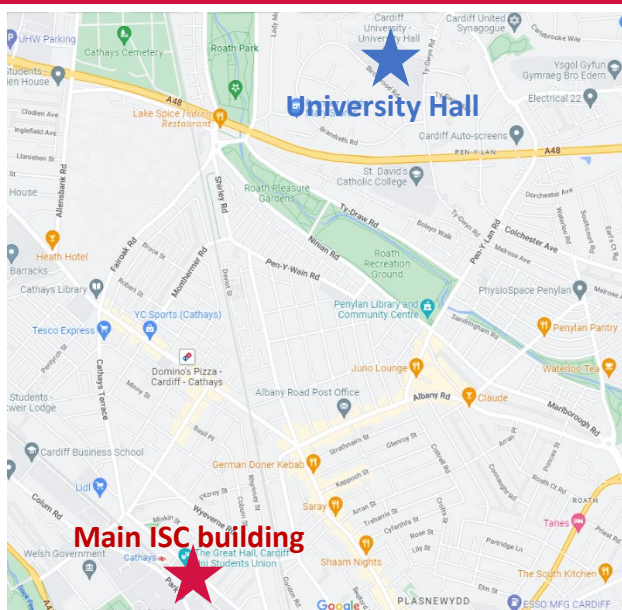

New for September 2022, we will be using the University Hall location for some of our classes. University Hall is located in Roath, one of Cardiff's most attractive and popular suburbs.

Members of the Student Experience and Welfare teams will be available at University Hall daily.

You will have access to the outside tennis/football court and common room (includes pool tables and a large study area) at University Hall. There are also vending machines on-site.

Distances from University Hall:

- Roath Park → 10 min walk
- City centre → 30 min bus
- Students' Union → 35 min walk / 10 min bus (see info and stops below)

Please note: Some classes will take place at the main ISC building and other classes will take place at University Hall each week. Efforts will be made to schedule students at one site per day but in exceptional circumstances students may be asked to travel between sites. In these instances, classes will be timetabled in such a way to allow time for this.
