Beneficiaries must notify us of any incident that they feel could give rise to a claim under these terms and conditions. Strict compliance with these terms and conditions is required if the beneficiaries are to receive their benefits.

All beneficiaries must be registered under the health care system in their home country. For study in the United Kingdom, all persons covered under this group policy for 6 months or more must be registered with a medical practitioner in the United Kingdom.

Cover applies whilst a beneficiary is studying in the UK and is automatically extended at the beginning and end of each academic term whilst they are making a direct trip to and from their home.
