AT THE INTERNATIONAL STUDY CENTRE

The International Study Centre provides international students with routes to a wide range of undergraduate and postgraduate degrees at LJMU.

SPECIALIST PROGRAMMES

Our pathway programmes consist of academic modules, study skills and English language preparation, designed to ensure you have the required skills to succeed when you start your degree at LJMU.

Your programme will introduce you to the style of learning that you will experience at the University. You will learn via a mixture of small group tutorials and seminars as well as part of larger lecture groups. This will ensure that you have an even greater chance of succeeding in your chosen degree.

REGULAR ASSESSMENT

Completing your programme and achieving the required progression grades will allow you to progress to your chosen degree at LJMU. To ensure that you are on track to achieve the required grades, you will be monitored regularly via practice assessment, class-based tests and self-study activity.

PERSONAL SUPPORT

Throughout your studies, you will be supported by the International Study Centre and LJMU staff so that you can make the most of what you learn and enjoy the social opportunities. You will be encouraged to find out about your degree options, meet tutors in the subjects that interest you, and talk to progressed students to learn from their experiences.

EXCELLENT LOCATION

Located in the heart of Liverpool, the International Study Centre is close to LJMU's Redmonds Building and the Aldham Roberts Library. You will also find numerous places to eat and relax nearby. The complementary combination of high-quality teaching and excellent social facilities offers international students like you the ideal opportunity to excel academically and enjoy student life.

WORLD-CLASS FACILITIES

The International Study Centre provides you with all the learning resources you need. As well as classrooms, there is a reception area where you can access information, a common room, and an open-access IT room with computers. You can also use LJMU's state-of-the-art libraries and specialist teaching, computing and laboratory facilities.

THE INTERNATIONAL STUDY CENTRE:

- Introduces you to life in the UK and the style of teaching you will experience when you progress onto your degree at the University.
- Offers a friendly and supportive community of international students, with small classes and individual attention, welfare provision and access to university student services.
- Plans social activities throughout the year and matches new students to alumni buddies.
- Organises immersion events with the faculties/departments.
- Provides personal progress coaches to monitor your progress and help you achieve the grades you need for progression.

You can find out more about the International Study Centre on our website:
www.ljmuisc.com/about

“My teachers and my tutors and everyone, every single one of them have always been very helpful and supportive. In every single class, they always ask you multiple times if you need any help or they guide you to where to find help if you need any. They’re just so supportive. I’ve never felt that someone here won’t help me do what I need to do.”

ON-CAMPUS CAREER SUPPORT

Students can receive personal career support at on-campus Careers Zones. Expert career professionals go above and beyond, offering one-to-one guidance on how to fill out a job application, write a CV and cover letter, prepare for interviews and more.

The Careers Zones also host regular visits from local and national organisations, allowing you to network and discuss jobs, placements and potential employment opportunities. A range of digital career tools are also available via the Careers website, enabling you the chance to work on important employability skills at your own pace, both on and off campus.

These tools include:

- A CV builder
- An interview simulator
- A careers newsroom
- A psychometric testing and assessment centre testing portal
- Online guides and resources
- Job search websites.

INTERNSHIP AND PLACEMENT OPPORTUNITIES

As an LJMU student, you will benefit from placement and internship opportunities while you study. With this work experience, you will gain relevant industry knowledge, build your professional network and learn valuable skills that will help you stand out to potential employers. The University also offers second and third year students the opportunity to undertake a paid 'Discovery Internship' with a local organisation, working on a project that will enhance employability skills and career insight.

LIFELONG SUPPORT

Liverpool John Moores University supports students for life, providing extensive career support even after you graduate.

This includes:

- Career options and opportunities
- Reviewing application forms, CVs and cover letters
- Support in starting your own business.

You will also be able to access the University's recruitment agency, online tools and job board, workshops, webinars and employment events.

“I chose LJMU because it offered the course I wanted. Also, one of the great things that really made me apply here was the employability rate after I graduate. It has a very high employability rate and also the city is great.”

LIVING IN LIVERPOOL

WHAT IS IT LIKE TO LIVE IN LIVERPOOL?

Liverpool is a city with its own unique spirit. The city is welcoming to people from all backgrounds and is a safe and supportive city proud of its Purple Flag status for 14 consecutive years. It is a creative city at heart with a great history of arts and culture. In fact, Liverpool has more art galleries and museums than any other UK city outside of London! Liverpool is also a multi-cultural city with its own Chinatown and was previously the European Capital of Culture.

FOOD

Across the city, you will find food from around the world alongside quirky independent cafés. As a former port town, the city has been influenced by the world's cuisine for a long time, so you're never far from some of the best international food.

MUSIC

Known as the home of The Beatles, there is a wide variety of places to see live music, from large arenas where you can see the biggest touring bands, to smaller venues where local favourites play.

WORLD-CLASS SPORTS

Liverpool is well known for being a football loving city. The city is home to two of the Premier League's biggest clubs, with Liverpool Football Club and Everton Football Club located close to the city centre.

Aintree Racecourse, famous for the Grand National which takes place every year, is also in Liverpool.

TRAVEL

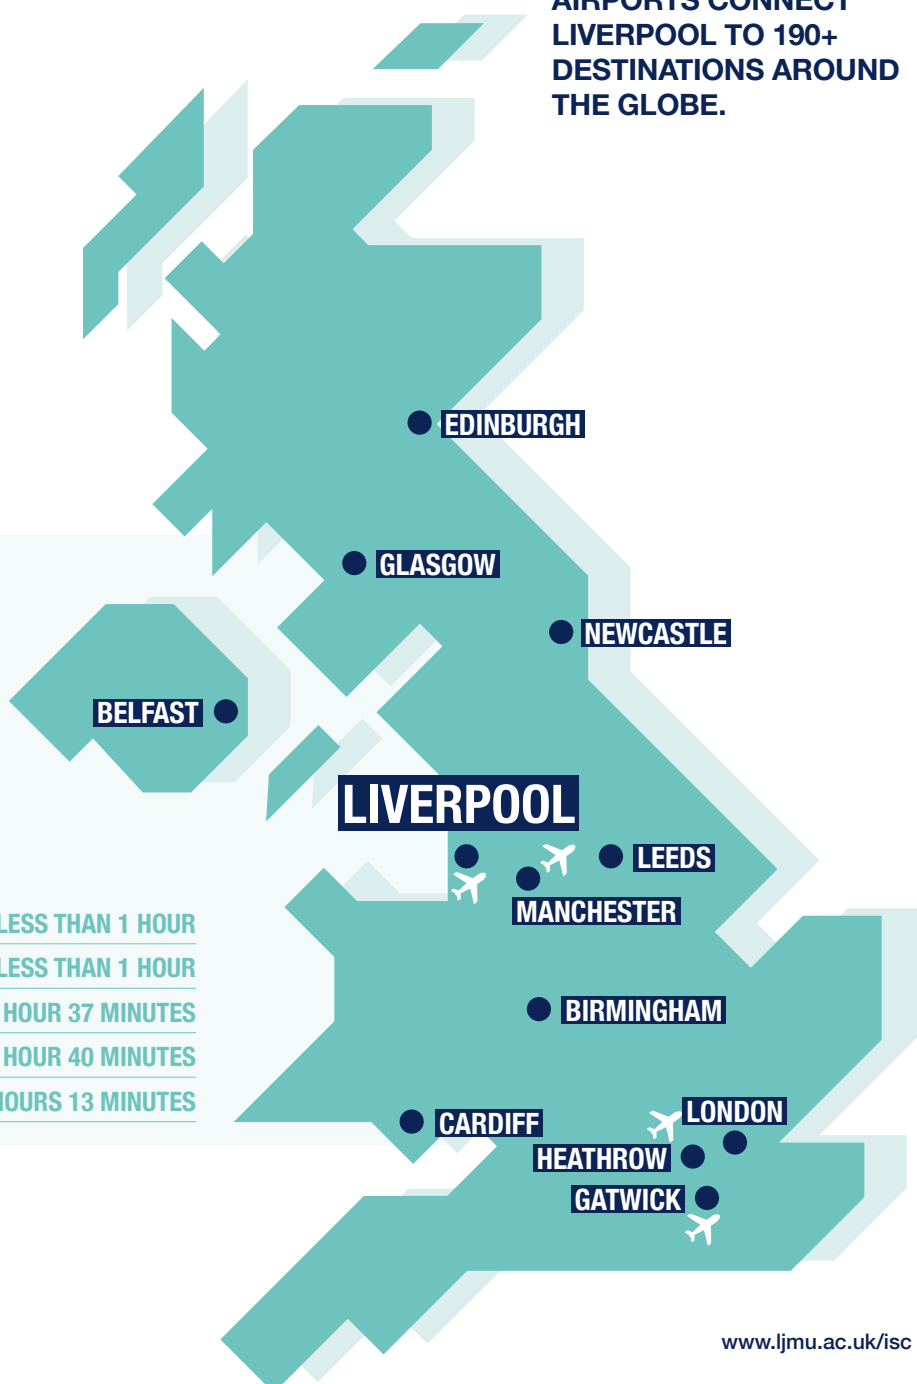

Liverpool is convenient and compact, which makes it easy to get around both on foot and by public transport. It is also very well connected to the rest of the UK and EU via its international airport and extensive rail and road links. Liverpool is just a train ride away from some of the most famous cities in the UK.

LIFE AT LJMU

A vibrant and exciting place to study abroad, LJMU is located in the city of Liverpool – offering you a unique home to get the most out of your time in the UK.

YOUR NEW HOME

Study Group works closely with Amber Student, a trusted platform designed to make booking private accommodation easier for international students. This leading global student accommodation platform helps students find their home away from home by giving them access to high-quality, secure, and convenient housing options.

The platform offers a variety of verified and professionally managed accommodation options for students to choose from with a wide range of options in terms of location, price and convenience. The private accommodation options are dynamic and updated in real-time depending on availability.

What can students expect?

- A variety of accommodation options
- Different room types - choose from several room types including standard, en-suite and studio rooms (subject to availability)
- Prime locations - locations convenient to the campus and local amenities
- A secure booking platform
- Comfortable living - options including fully furnished accommodation and all bills included.

Amber's platform makes it easy for students to browse, compare, and book their new home online – even before they arrive in the UK. Students can benefit from end-to-end assistance throughout the booking journey, including help with documents and payments.

UNIVERSITY FACILITIES

With over £160 million of investment, LJMU's facilities deliver the highest quality student experience. They are designed to replicate industry environments, so you gain experience relevant to your career even before you graduate. Facilities include:

- State-of-the-art science, technology, and engineering laboratories
- A forensic scene-of-crime lab
- A 360° ship simulator
- A mock courtroom
- Clinical practice suites
- Broadcast-quality TV and radio studios
- Award-winning libraries
- John Moores Students' Union (JMSU) with over 120 student groups.

The fantastic Student Life building is a five-storey hub of student-facing services including advice and wellbeing, careers services, study areas, the Students' Union and teaching spaces. There is also a new Sports Building, showcasing an eight-court sports hall, two multi-purpose halls and a state-of-the-art gym with 120 training stations.
