Your route to success

**Pathway programmes
for international students**

A warm Welsh welcome awaits you

Join the community at a respected Russell Group university with a proud history and international reputation. Enjoy a rich student experience in an exciting, multicultural UK capital city.

Why study in Cardiff?

Cardiff is the perfect new home for an international student. A proudly multicultural city with a long history of welcoming people from all over the world.

It is a relatively small city, with most places within walking distance from the University. This adds to its friendly community atmosphere.

Although part of the UK, Wales has its own government and its own distinctive character. Welsh people are known for their friendliness and for their pride in Wales's rich history. As well as being a land of legend (hence the red dragon on the national flag), it is also known as the land of song, with a strong classical tradition having transformed into a thriving modern music scene.

Why study at Cardiff University International Study Centre?

Our pathway programmes at the International Study Centre will help you settle into life at a UK university and prepare you for learning in a British university setting. Expert teaching staff will support you to build confidence in your English language skills and learn vital study skills for when you progress to Cardiff University.

Discover what you will
love about Cardiff

#OurCardiff

A highly-ranked university where students come first

Cardiff University is a prestigious Russell Group university, with 90% of their research confirmed as world-leading or internationally excellent.

Research Excellence Framework 2021

Well-rounded university experience

Cardiff offers a wealth of support and opportunities to its students, both in and out of the classroom. Leading academics incorporate their research into lectures and seminars, allowing students to share in their discoveries. Choose from hundreds of unique clubs and societies to explore new interests and make friends for life.

Life-changing research

Courses are constantly evolving based on active research by faculty who are pioneers in their field. This means you will have access to the latest developments in your subject area. Studying in a research-led university also means you will enjoy great teaching facilities funded by research grants and contracts.

Cardiff's academics have worked on massive research projects directly impacting society, including (most recently) the first ever image of a black hole, and also breakthroughs on Alzheimer's disease, breast cancer and nuclear waste disposal.

Inclusive atmosphere

Cardiff University is a 'university for all'. Its inclusive, community-focused ethos offers a supportive environment for international students. Everyone is welcome at this multicultural, friendly university.

Top career prospects

A degree from Cardiff will be recognised worldwide. You will join a global network of alumni holding top positions in governments, the private sector and academia. Curriculums are designed to help you think independently, analyse problems, and work effectively in a team. These are valuable skills in the workplace that you will need to demonstrate to potential employers.

At Cardiff, you can tailor many of the degree programmes to meet your career aspirations. Flexible learning structures often allow you to delay your final degree choice until the end of the first year, giving you the chance to try different disciplines. You can also choose to study a year abroad, or take part in a work placement. The University's Student Futures Team are on hand to provide advice and guidance on the range of opportunities available.

The Cardiff Award is an opportunity to develop valuable career skills and gain recognition from future employers. If you choose to take part, you will complete 70 hours of activities, including work experience, extracurricular activities, self-reflection, mock interviews, and online learning sessions. The Award will appear on your Higher Education Achievement Record for employers to see and you will receive a LinkedIn certificate.

Explore Wales' fantastic capital city

Cardiff is a vibrant, affordable modern city with a multicultural history. Only two hours from London by train, it is also close to beautiful Welsh beaches and mountains.

Cardiff is in the South of Wales, an hour away from the English city of Bristol. One of Europe's youngest capital cities, Cardiff was crowned the capital of Wales in 1955, partly due to the excellent reputation of its university. Cardiff is a place known for its tolerance, diversity, and sense of fun. Wherever in the world you come from, you will feel welcome in Cardiff.

International community

Cardiff has been one of the most diverse cities in the UK for the last century, after people emigrated in their thousands to work in its thriving port. A huge range of cultures and backgrounds are represented in the city's food and arts. Cardiff is also home to places of worship for all faiths, with a number of mosques, synagogues, churches and temples.

Plenty to explore

Cardiff's arts scene is thriving, and it is home to fantastic theatres, music venues, and the world-renowned concert venue, the Millennium Centre. You will also find cinemas, bowling alleys, and much more. The city has some of the best shopping opportunities in the UK, with beautiful Edwardian and Victorian arcades and modern shopping centres with designer brands and unique independent shops. International supermarkets also make it easy for you to find the ingredients you use at home.

World-class sport

Cardiff is home to Championship football club Cardiff City. It also has one of the world's most famous international rugby stadiums, the Principality Stadium.

What to do in Cardiff

Cardiff Bay is only a five-minute train ride from the city centre. Relax by the waterside or enjoy the gorgeous view from the roof terraces of the Bay's international restaurants.

Bute Park, set in the historic grounds of Cardiff Castle, is a 5-minute walk from the University; the perfect place for a picnic or a football game with friends.

When the weather is less than perfect, Cardiff's famous selection of shops will keep you entertained. You could also visit the National Museum of Wales, next to the University, or one of Cardiff's many great theatres.

Getting around

Cardiff's public transport makes it easy and affordable to get around the city. As well as a reliable bus network and numerous cycling trails, there are train stations across Cardiff. It is also a great place from which to discover the rest of the UK and Europe – Cardiff is only two hours from London by train and it also has its own international airport.

Cardiff has **more green space per person** than any other UK core city, with over 330 parks and gardens

Cardiff was **one of the UK's first multicultural cities** and an estimated 94 languages are spoken here

The campus is frequently used as the film set for BBC hit TV shows **Doctor Who and Sherlock**

Cardiff is in the **top 10 most welcoming cities** in the UK

TimeOut

Experience life in Wales

One of the four countries that make up the United Kingdom, Wales shares a border with England. Wales has its own proud identity, forged around music, myths, and rugby.

Wales has **more than 600 castles** – more by area than anywhere else in the world

Watch here

Tricia's tips on day trips in Wales

Bannau Brycheiniog National Park

Three Cliffs Bay

Eryri National Park

Lots to explore

Its beautiful landscape comprises stunning coastline, gorgeous sandy beaches and lush British countryside. It's easy to get around by train or car, taking only four hours to travel from the south to the north. Take a trip to the stunning sandy beaches of the Gower, Mid Wales or Anglesey. Experience the 'Welsh Mediterranean' in Portmeirion. Or check out the green mountains and lakes of Bannau Brycheiniog or Eryri.

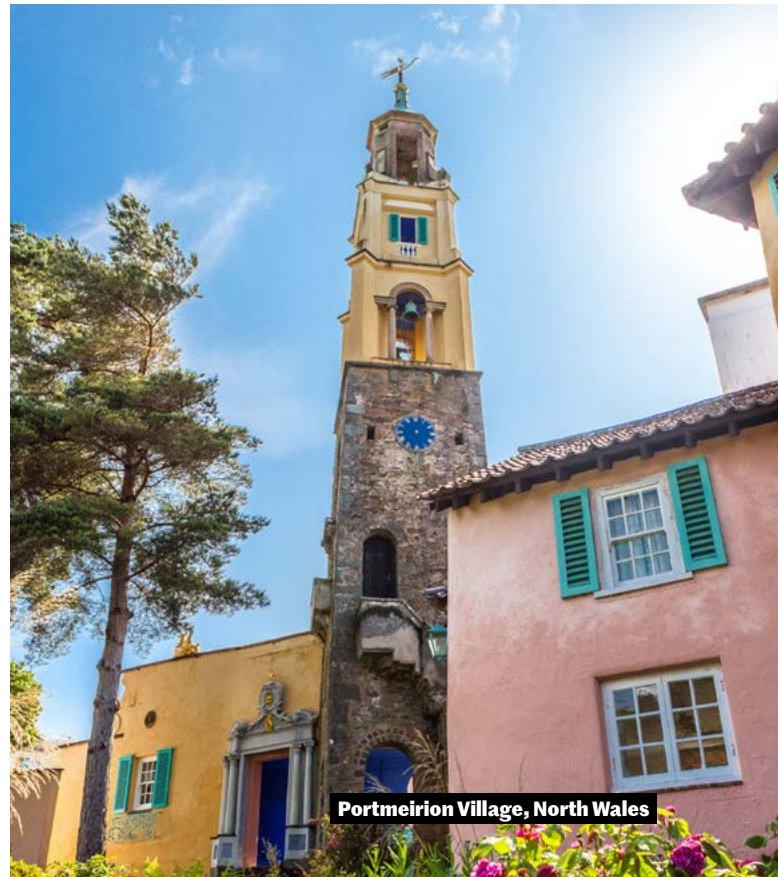

Land of dragons

The red dragon is the national symbol of Wales, with legends telling the story of how the red dragon defeated an invading white dragon in a fierce battle. You will find many more Welsh folk tales when you explore outside of Cardiff. Visit one of more than 600 historic castles, some dating back as far as the 11th century.

Great British weather

Despite having a reputation for being rainy, Wales' weather is very similar to the rest of the UK. The UK has four seasons and weather can vary considerably from month to month. The average temperature in Cardiff in winter is 7°C and in summer temperatures occasionally reach as high as 30°C.

Portmeirion Village, North Wales

It's lovely to be surrounded by people from so many different countries, with so many different cultures, so many different ethnicities. I always wanted to be among people who are open-minded."

Manoj from India

MSc Advanced Computer Science

A rewarding student experience

Cardiff's students benefit from hundreds of inclusive societies, an active Students' Union, fantastic facilities, and excellent student services.

An exciting place to live

As a Cardiff student, you will be at the heart of the city, where you will find the majority of Cardiff's university buildings, including libraries and its Students' Union. Student accommodation is only a short walk away, so you can easily explore everything this great city has to offer.

Get involved

Cardiff University encourages its students to take part in activities outside of their studies, to meet new people and build confidence and interpersonal skills for the future. Choose from more than 200 inclusive societies, focused on food, sports, drama, gaming, dance, music, and much more.

Constantly evolving

The University is constantly investing in its facilities, and the new £50m Centre for Student Life is now open, creating improved student support services and social spaces.

Students' Union facilities include food outlets, The Jobshop, a prayer room, The Taf pub, a Cardiff Student Lettings, shared work spaces, and much more. The Lounge, built with international students in mind, is open to all. It's a great place to meet to work on group project, versatile work spaces, modern meeting rooms and touch screen tables.

The new School of Journalism, Media and Culture, in the city centre, has strong links with industry including BBC Wales.

Play and watch sports

At Cardiff University, it's easy to take part in sports or support its many teams, with 76 teams registered in BUCS (British Universities & Colleges Sport) leagues.

Its extensive sports facilities are all cheap to use and open to everyone. Facilities include 33-acre sports fields, the Sports Training Village, a Fitness and Conditioning Centre, and dance studios.

Varsity is one of the biggest events in the student calendar, when Cardiff University competes against its rival, Swansea, in a number of sports at venues around the city.

Welfare and support

Every student at the University is allocated a personal tutor who can assist with any academic or personal problems.

Student Support Centres on both the Cathays and Heath Park campuses have specialist international advisers who can help you with visas, housing, finances and anything else that you would like to talk about. You can also talk to the International Students' Officer.

The University has 16 libraries and a range of IT suites, offering 24/7 study facilities

The University is home to more than **33,000 students from 130 countries**

#2 Students' Union in the UK

Whatuni Student Choice Awards 2025

I think the one word I would use to describe Cardiff is 'special'. The first thing is Welsh people are absolutely friendly. It's also a very tight-knit city. Everything is close by; you never feel afraid to go somewhere because it's too far."

Lafan from Jordan

BA Media and Communications

Choose Cardiff University International Study Centre

Our pathway programmes will prepare you for undergraduate or postgraduate study at Cardiff University.

Programmes designed especially for international students

At the International Study Centre, in the heart of our campus, you will be a part of the Cardiff University community from day one, and you will benefit from extra support. Expert teaching staff will prepare you to meet the challenges of life at a top UK university. You will work on your English language level and perfect your academic study skills.

International Study Centre staff will support you both in and outside of your studies to help you adjust to life in a new country.

We recognise that the social aspect of student life is very important to you when you are coming to Cardiff. That's why we provide a comprehensive Induction Week programme, which includes fun-filled and inspiring events to help you settle in and meet other students.

During your time with us you'll have plenty of opportunities to join clubs and societies where you can meet people who share a common interest. Cardiff's Students' Union is one of the best in the UK and holds frequent events.

You will also take part in Transition Week, where you will join events and taster lectures at the University to help with a smooth progression to your degree studies.

Succeed in your degree and beyond

You will choose from different subject pathways so that you can start building transferable knowledge for your degree. You will also be encouraged to think about your future career goals and how you can work towards them.

When you complete your pathway programme and achieve the required grades at the International Study Centre, you can progress to your chosen degree at Cardiff University. For certain degree aims, a competitive selection process may be in place.

Deri House

86% of Cardiff University International Study Centre students who completed their pathway in 2024 were offered a degree place at Cardiff University.

I decided to come to Cardiff University to study

because I've always been really interested in the entertainment industry and knowing the reputation that the journalism sector of Cardiff University has, I thought it would be my best choice.

My time throughout the International Study Centre, it was fun. I feel like I definitely benefited because I got to learn a lot of things in advance compared to the freshers in University.”

Sociology

QS World University Rankings by Subject 2025

Subject routes

Arts, Humanities, Law and Social Sciences

Choose this pathway to progress to degrees in subjects like English, History, Journalism, Politics, Sociology, Music and many more. There are five routes: Law, Humanities and Social Sciences, Music, Media and Journalism and Psychology. Modules vary depending on the route and include Globalisation, Introduction to Law, introductions to your chosen route, as well as the option to work on an extended essay relevant to your pathway.

Business, Economics, Accounting and Finance

Studying business-related subjects will give you the option to progress to a degree in subjects including Accounting, Business Management, Economics, Mathematics or a joint honours degree with a humanities subject, like Politics, History or Philosophy. Modules include Project Skills with Business Management, Business Management, Economics and Accounting with Financial Management.

Engineering, Physical Sciences and Architecture

Choose to progress to a degree in Architecture, Computer Science, Physics, Environmental Geography or an Engineering subject. You can specialise in one of four routes: Architecture, Computing, Chemistry, Earth and Ocean Sciences and Engineering, Physics and Mathematics. Modules include Urban Environment, Computer Science, Statistics with Project Skills, Chemistry, Physics and Applied Mathematics.

For Architecture, the School will review your Design Portfolio in addition to achieving the required grades. You must pass this portfolio in order to be offered a place on Architecture.

Health, Medical and Life Sciences

Work towards a career in health sciences by selecting one of three routes leading to a range of progression degrees. The routes are: Medicine and Dentistry, Pharmacological and Life Sciences and Psychology. Modules include Mathematics, Chemistry, Biology, Statistics with Project Skills, Biology and Psychology.

Places on some degrees may be limited. For Medicine, Dental Surgery, Optometry, Medical Pharmacology and Pharmacy, students undergo a competitive selection process.

Pre-courses

English Language Preparation

If you need to improve your English language level before starting your International Foundation Year, you can study our Online English Language Preparation programme.

Prepare for Success

Join our online preparation course designed to give you a head start before joining your academic programme, so that you are ready to thrive academically and culturally in your new environment.

Enhanced Induction

If you want to settle into your new environment at the International Study Centre before your academic programme in January, the Enhanced Induction starts in November and consists of three additional weeks of induction activities

Most undergraduate programmes offer the option of either a Year in Industry, a Professional Placement or a Year Abroad.

For a full and up-to-date list of available degrees please visit cardiff.ac.uk/isc

Pathway programmes

International Year One

The International Year One at Cardiff University International Study Centre is an intensive programme for international students, leading to year two of an undergraduate degree. It eases the transition to UK higher education and improves English skills, enabling graduation in three years.

You can choose from the following subject routes:

- Accounting and Finance
- Business Management
- Engineering
- International Relations
- Journalism, Media and Culture
- Law
- Psychology

The majority of degree programmes give you the option of a professional placement year and/or internship – usually in your third year. Many degree options are also flexible, meaning you can tailor your course to suit your interests and career goals.

Who is the programme for?

The programme is designed for international students with a strong academic profile and a good level of English who would like to fast-track their studies.

What will I study?

You will study a range of modules relating to your chosen degree, giving you broad subject knowledge and transferable skills for when you graduate and start your career.

Pre-courses

English Language Preparation

If you don't meet the English language requirement, you can first take our Online English Language Preparation programme. Choose from 6, 10 or 16 week programmes depending on your English language level.

For full programme information including information on our Pre-courses,, grades required for progression, and module descriptions, visit cardiff.ac.uk/isc

Prepare for Success

Join our online preparation course designed to give you a head start before joining your academic programme, so that you are ready to thrive academically and culturally in your new environment.

Enhanced Induction

If you want to settle into your new environment and become familiar with the International Study Centre prior to starting your academic programme in January, the Enhanced Induction starts in November and consists of three additional weeks of life, learning and language skills, at no additional tuition fee.

For more information, visit [**cardiff.ac.uk/isc**](http://cardiff.ac.uk/isc)

International Year One Accounting and Finance

Gain valuable experience

The School of Law and Politics Pro Bono Unit **provides students with the opportunity to help members of the community** with legal matters, completely free of charge.

“My tutors were absolutely amazing.

They made us know that it was okay to feel nervous. It was okay to be anxious. They made sure we had support every single step of the way. Feedback was always my favourite part of class because they would give you the best feedback that would help you, the whole duration of the study.”

Your new home in Cardiff

International Study Centre students have the opportunity to live in either Cardiff University accommodation or Eclipse accommodation, which are both a short walk from the University and the city centre.

University Accommodation

There is a range of single-occupancy rooms, many en-suite, in different areas across the city.

You can apply to a range of different options which include:

- Aberdare Hall – all-female accommodation
- University Hall – near the Heath Park campus for health sciences students
- Senghennydd Court – a 10 minute walk from the University's Main Building and the city centre
- Talybont Gate – Cardiff University's newest development, with on-site facilities
- Talybont North – the largest and most sociable halls.

You can apply for accommodation online, selecting up to 10 options in order of preference. You will be contacted with further guidance on how to apply for accommodation once you have confirmed your place at the International Study Centre.

Eclipse Accommodation

Eclipse is managed by Collegiate – our trusted third-party accommodation partner - is only a 17-minute walk from the International Study Centre and offers unrivalled student accommodation that's located perfectly for your studies. Eclipse boasts several exceptional features such as its very own nightclub for community events, to a themed private dining room to entertain friends.

Students can choose from either a 6 bed ensuite (shared apartment) or a private studio apartment.

Eclipse is only available for students aged 18 or over.

Campus map

The academic buildings, libraries, Students' Union, most of the student residences and the city centre are within a short walking distance of each other.

Apply to study with us

Complete your application form

If you would like to apply to study at the Cardiff University International Study Centre, you will need to complete an application form and submit the relevant documentation.

Apply via your local education agent or our website

You can apply through your local education agent or directly via our website.

Visit cardiff.ac.uk/isc

Here to help

If you are applying directly and have a question, then a Student Enrolment Advisor will be happy to help. They speak a variety of languages and understand several more.

Student insurance

We strongly recommend that international students have the protection of personal insurance whilst in the UK. To cover you as a student at the International Study Centre, you may wish to purchase our "StudyCare Insurance Plus" cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.

Visit cardiff.ac.uk/isc for more information.

Disclaimer

This guide is intended as a general guide for students considering entry to Cardiff University International Study Centre from 2026. Cardiff University International Study Centre is operated, and its programmes offered by Study Group Limited ('Study Group'). This guide forms no part of any contract between you and Study Group except as provided below. The guide is prepared in advance of the academic year to which it relates and Study Group makes every effort to ensure that the information contained here is accurate. Although reasonable steps are taken by Study Group to provide the programmes and services described, Study Group cannot guarantee the provision of any programme. Any programme may be altered or withdrawn owing to circumstances beyond Study Group's reasonable control. Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, change in government policy, withdrawal or reduction of funding, change of law or changes necessitated by pandemic or epidemic. Study Group will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a programme and we will notify you of such alteration or withdrawal as soon as possible.

Such steps may include the offer of a place on an alternative programme. Alternatively you may withdraw your application without any liability for fees (including the enrolment fee). Please note that Cardiff University International Study Centre's website is the most up to date source of information regarding programmes and facilities and we strongly recommend that you always visit the website before making any commitments. Cardiff University and its logo are registered Trade Marks of Cardiff University. 'Study Group' and the Study Group logo are registered Trade Marks of Study Group.
