

INFORMATION FOR PARENTS OR GUARDIANS TRAVELLING WITH STUDENTS

We welcome parents and guardians that travel to the UK to support those that are beginning their academic journey with us. However, as we try to settle students into their new community and encourage new friendships, we recommend that guests do not stay in student accommodation. Below is a list of short-stay accommodation options in the local area. There are also plenty of Air B&Bs available too. Please ensure that you confirm your accommodation booking prior to your arrival in the UK.
