When should I be there?

On your start date (your start date could be found on your offer letter). You will also be sent your detailed Induction programme timetable with exact time and dates before this is due to take place.

What will happen during induction week?

Our induction programme will help International Study Centre students to settle into the ISC and city of Dublin. You will register, be set up on our IT system as well as learn key information about what you should expect for the week and your further time with us. This is a great opportunity to meet your fellow classmates and address any concerns you may have.

What activities will take place during induction week?

Registration: Meet the team at Dublin ISC as you collect your welcome packs and finalize your registration details	Introduction and IT Set-up: Learn what systems you'll need during your studies, as well as how to use and access them. This will include an introduction to Outlook, Study Smart and Insendi.
Meet the Welfare Team: Meet the Welfare team and find out who's here to help you with any academic, personal or medical needs you may have during your studies.	Living in Dublin: Learn all about your new home.
Getting involved: Learning about student committee, class reps, student ambassadors, and how you can have a voice in student activities.	Maths & AES Diagnostics Test: This will just help us assess your learning needs throughout the year.
Attendance and Engagement: Learn about the ISC attendance policy and receive your timetable	About the Dublin ISC: Learn about Study Group and how you can make the most of your time.
Meet your classmates: Meet people who are studying with you and make lifelong friends!	

We hope you enjoy Welcome Week and make the most of the activities and events we have planned for you!
