- Mid-infrared for weight loss, pain relief and improved circulation (passive cardio workout)
- Near-infrared for cell health, complexion, wound healing and skin purification

PREMIUM TIMBER SELECTION

Our eco-friendly, 100% solid and non-toxic wood, is hand-selected and kiln-dried to add heat and moisture to keep the wood from cracking. We take pride in premium quality craftsmanship and robust construction to ensure we provide the highest quality and sustainable saunas on the market. For long term timber protection and to prevent warping, a timber treatment is applied to the exterior of all cabin saunas during the manufacture process. This may alter the external timber colour slightly.

EUCALYPTUS [ENTIRE SAUNA]

EUCALYPTUS [EXTERIOR] & CANADIAN WESTERN RED CEDAR [INTERIOR]

* HYPOALLERGENIC BASSWOOD [ENTIRE SAUNA]

* PLEASE NOTE: Available as special order only. Please discuss with our sales support team.

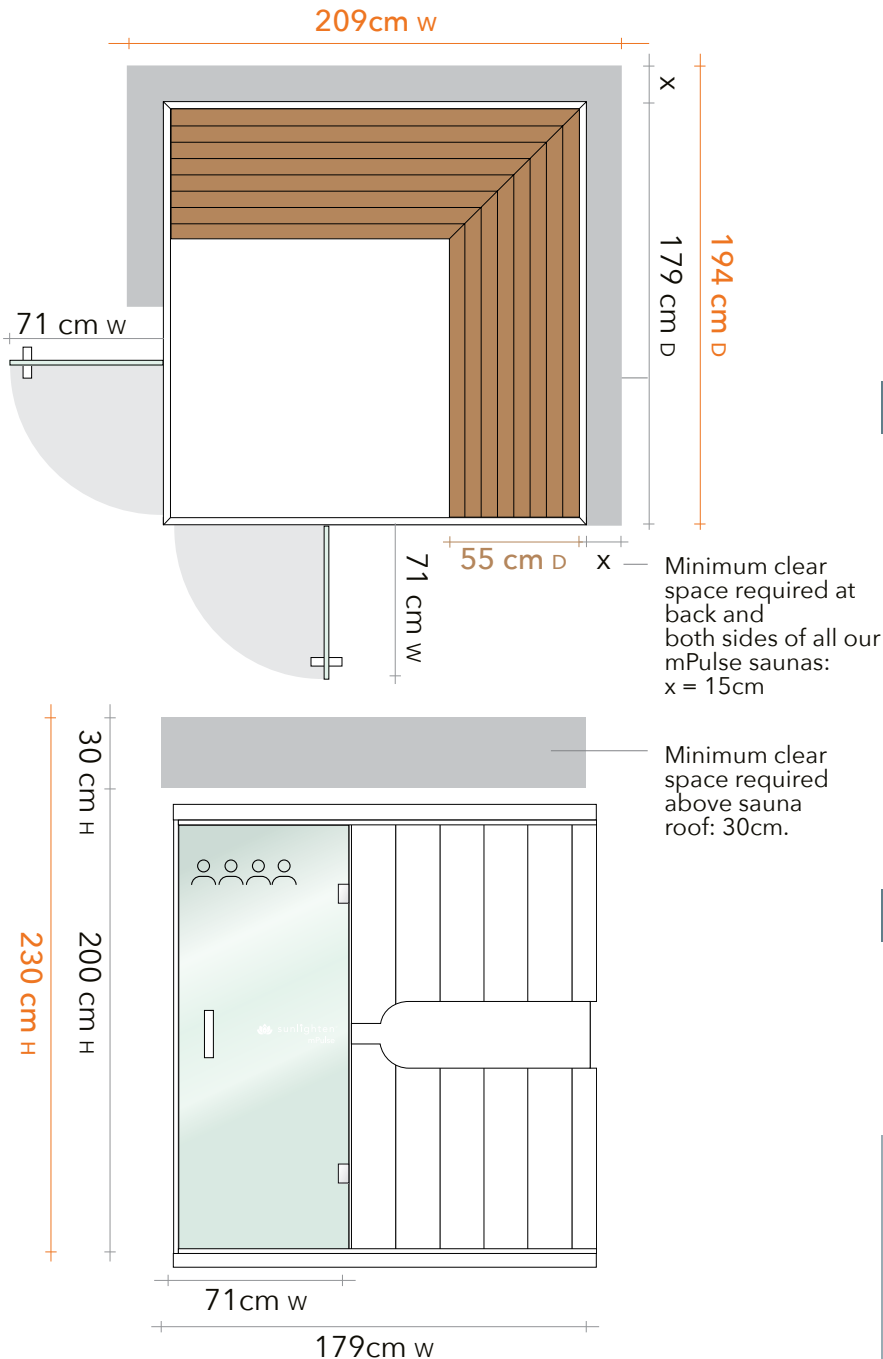

INFRARED HEATER PANELS

	Left Wall	Back Wall	Right Wall	Front Wall	Floor	Under Bench	TOTAL
FIR	1	3	3	1	1	3	12
MIR	1	3	3	1	0	3	11
NIR/Red light	1	3	3	0	0	0	7
						TOTAL	30

PLEASE NOTE - Dual band Wi-Fi 2.4GHz and 5GHz is required for the mPulse Smart Sauna.

POWER REQUIREMENTS 220-240V, 4775 watts. Maximum Amperage 20A.

Sunlighten recommends all new installations adhere to AS3000 and a dedicated circuit that is RCD protected. Power Cable to be hardwired into an accessible isolation switch. Sauna cable 2.5m long and exists back left of base.

PRE-INSTALLATION CHECKLIST

It is important to ensure there is enough space through the doors and pathways to the sauna's location in your space. Please measure any access doorway or hallway prior to purchase for easy installation.

If your sauna is being installed in a tight space, talk to your sales representative to confirm installation is possible.

In addition, please ensure any electrical works are completed prior to delivery and installation of your Sunlighten sauna. Please locate the power outlet for easy access to turn the sauna on and off at the power source after installation.
