Description Industrial Supplies Merchant Wholesalers

This Certificate identifies the merchant indicated above as an Eligible Reseller, in accordance with Section 4030.02 of the Puerto Rico Internal Revenue Code of 2011, as amended. This authorizes the merchant to acquire taxable items exempt from the payment of Sales and Use Tax ("SUT"), primarily to carry out Eligible Sales.

This Certificate is non-transferable and must be presented when acquiring taxable items. For this reason, the merchant selling taxable items exempt from SUT must keep a copy of this Certificate as evidence of the relief of their obligation to collect SUT.

The issuance of this Certificate does not restrict the Secretary of Treasury of performing any investigation or audit with the purpose of corroborating the facts and circumstances indicated during the certificate request.

This Certificate will be valid for the time period shown below. The merchant indicated above must present the Exempt Purchases Certificate, Form AS 2916, along with a copy of this Certificate when purchasing taxable items exempt from SUT.
