### My Film Bag is ideal if you...

Are pregnant - share your precious baby scans with family and friends

### Want to view your Pregnancy Ultrasound scans?

You will receive a TXT or email message after leaving reception. Simply click on the link in the TXT message or email to activate your My Film Bag account.

You will receive a TXT or email when your images are ready for viewing. This may take up to 24 hours.

Your username and temporary password is the mobile telephone number you provided to reception. You will be asked to set your own password during the account activation process.

Download the 'My Film Bag' app from the Apple Apps Store or Google Play or visit [www.myfilmbag.com](http://www.myfilmbag.com) to view your images.

My Film Bag is an optional service offered by Hamilton Radiology. After 3 years of unlimited free use, you will receive an email offering long term access to My Film Bag.
