Wasp
BARCODE TECHNOLOGIES

Rugged.
Versatile.
Powerful.

Meet the New **Wasp DR5** featuring Android 10 OS.

Best-in-Class 2D Mobile Computer with a Robust Android Platform

Built on the Latest Android Operating System
Applications run faster, downloads are speedier, and web pages load quickly on the trusted Android 10 platform.

Advanced Touchscreen Technology
Work tasks are completed simply with the DR5's large screen and capacitive Gorilla Glass 5.45" touch screen.

Superior Data Collection
Integrated 1D/2D barcode scanner reads digital screens and printed barcodes while the 16MP rear camera and 5MP front camera captures the clearest images.

Sheer Durability
Falls, bumps, dirt, dust, water, and liquids can't stand up to the DR5's powerhouse protection featuring IP65 & IP67 heavy-duty rating against water and dust.

User-Friendly Functionality
This handheld proves itself invaluable with its hot swap battery, dual WLAN bands, and MDM software compatibility to Airwatch, SOTI, 12Management, and MoboLink.

Disinfectant-Ready Housing
Optimal for environments where the device must be cleaned frequently with harsh chemicals such as isopropyl/ethanol alcohol and bleach (bleach:water, 1:100).
