

The best isn't always **black and white.**

Introducing the **Wasp DR4.**
The smartest barcode
scanner in its class.

The new DR4 rugged handheld computer will revolutionize the way you do business.

Powerful Android 7.1 Platform

Built on the dependable Android platform, the DR4 powers through your work day by utilizing an advanced 64-bit Octa-Core CPU and 3GB RAM/32GB ROM.

Advanced Touchscreen Technology

A roomy 4.7 inch Gorilla Glass touchscreen facilitates easy viewing with its sunlight readable display.

Superior Data Collection

An integrated 1D and 2D barcode scanner ensures accurate scanning while a 16MP rear camera and 5MP front camera captures the clearest images.

Sheer Durability

Through extensive testing in harsh conditions, the DR4 earned an IP65 rating so it can go with you virtually anywhere. And with a 5-foot drop rating, 6 with bumpers, it's also tough.

User-Friendly Functionality

This handheld proves itself invaluable with its hot swap battery, dual WLAN bands, and MDM software compatibility to Airwatch, SOTI, 12Management, and MoboLink.
