LUTRON

The survival tool of dimmers

Introducing the new C•L PRO.

- Neutral optional • Phase selectable
- Color change front plastics • Screw terminals

Faceplate sold separately

One dimmer for any job.

°STELPRO

STARTING FROM **\$97.98**
**120V 35.3' SCU UNIVERSAL
FLOOR HEATING CABLE**

STESCUIW0135S013

This universal floor heating cable is easy to install either with an uncoupling membrane or directly on plywood. Ideal for any room of the house, especially difficult-to-heat spots, it's compatible with most floor coverings and makes more space available for furniture and interior décor elements.
