BACTOCELL[®] + DRINK

CHARACTERISTICS AND APPLICATION

- Appearance: Water-soluble fine white powder*
- *Pediococcus acidilactici* CNCM I-4622 (MA18/5M) standardized on a carrier.
- Contains a source of live (viable) naturally occurring microorganisms for use in all classes of swine and poultry feed.
- The genus and species are on the GRAS list as published in the AAFCO Official Publication under 36.14 Direct Fed Microbials.

GUARANTEED ANALYSIS

- Total *Pediococcus acidilactici* bacteria count not less than 2.5×10^9 colony forming units (CFU) per gram

INGREDIENTS

- Salt, dried *Pediococcus acidilactici* fermentation product, yeast extract, inulin

SAFETY INFORMATION

- Avoid breathing dust. In case of inadequate ventilation, wear a mask. Wash hands thoroughly after handling. If experiencing respiratory difficulty, seek medical attention.

STORAGE AND SHELF LIFE

- Store in a cool, dry area. Shelf life is 24 months from date of manufacture when stored as directed in the unopened original packaging. Manufacturing date is stamped on the package. Keep tightly closed when not in use with minimum exposure to moisture and air.

PACKAGING

- Packaged in a nitrogen-flushed, heat-sealed, laminated foil pack, placed within a cardboard box.

*This is a biological product; therefore, the appearance can vary between batches.
Not all products are available in all markets nor all claims allowed in all regions.
Bactocell is a trademark of Lallemand Specialties, Inc.

DIRECTIONS FOR USE

For all classes of swine and poultry

BACTOCELL[®] Drink is used at 200g/m³ (200 g/1000 L) of drinking water. Blend 200g of powder into 1 gallon of clean water at ambient temperature and mix gently to achieve a homogenous mixture. Dilute as required to reach the concentration based on your dosing system and supplementation duration. Use whole package at one time. Wear gloves when handling.

IMPORTANT NOTICE

Please note that the formulation, development and production of this product by Lallemand Animal Nutrition ("Lallemand") so that it is commercially available, was made possible through significant levels of research and investment. This product and related know-how represent for Lallemand an important and valued asset protected by law. By purchasing or using this product, you agree not to copy or reverse-engineer the product for the purpose of resale. Any breach of Lallemand's intellectual property rights, whether patented or not, will be pursued through all legal means.

DISCLAIMER OF WARRANTY

Buyer assumes all responsibilities of use, storage, and handling of the product upon receipt. Lallemand accepts no responsibility for conditions and uses by buyer which are beyond the control of Lallemand. The foregoing warranty is in lieu of all other warranties and conditions, expressed or implied. Lallemand's entire obligation under the limited warranty shall not exceed the total amount paid for the product.
