Single Identity System is Here!

- ONE username and password for anything related to People Cloud.
- Multi-Factor Authentication (MFA) has become the standard in our personal lives and business environment and used as a layer to protect and combat common threats.
- We have created password-less options and easy-to-use authentication mechanisms.

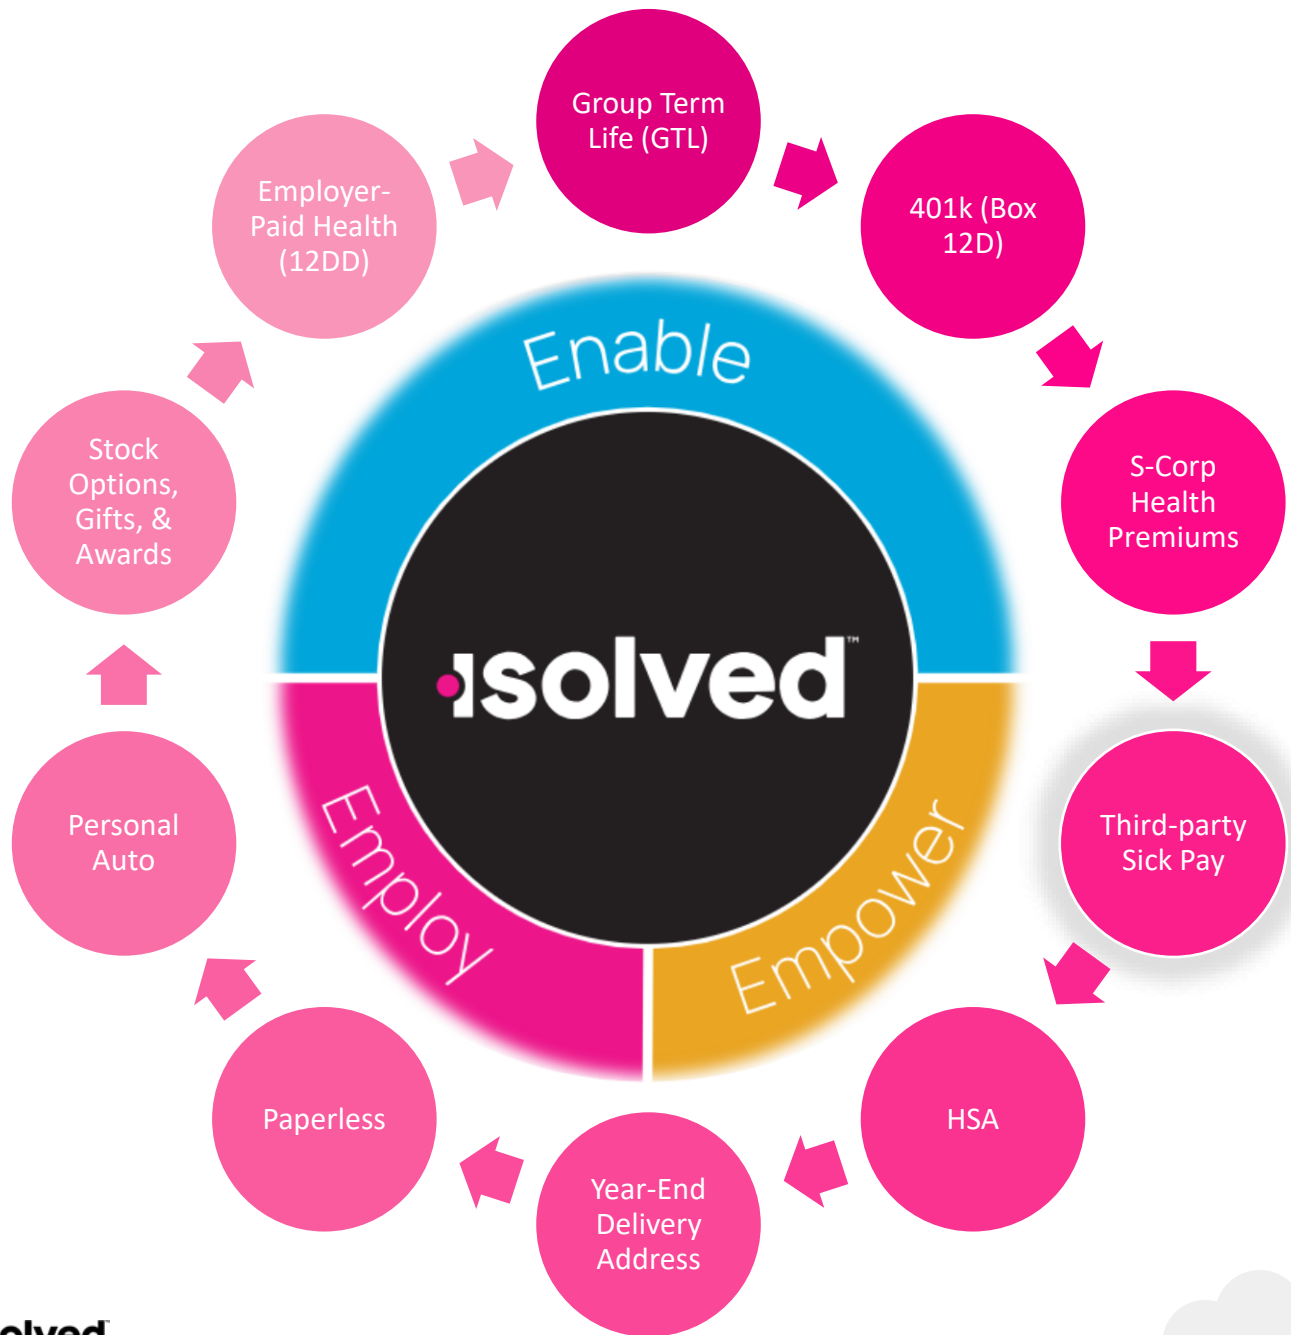

Quick tips:

- Use Authenticator apps or password-less options
- Create Browser incognito shortcuts.
- Log out of shared computers
- Send URL directly to employees

Year-Round Spotlight: Group Term Life (GTL)

Did you know Employees are subject to Social Security and Medicare tax on Employer Paid Life Insurance coverage over \$50,000.00?

Best Practice:

Contact Customer Support to have your isolved system setup to calculate taxes each pay period rather than taxing for the entire year in December.

The Solution
