

# Pace of Play The Course

**WEATHER CONDITIONS**

Adjust the course set-up in tough weather conditions.

**PIN POSITIONS**

Situate pin positions in accessible locations.

**COURSE SIGNAGE**

Provide clear signage to help direct golfers around the course.

**TEE POSITIONS**

Provide appropriate tee positions for all abilities.

**GREEN SPEED**

Watch your speed! Faster greens are harder for the average golfer.

**ROUGH LENGTH**

Challenging but fair. Looking for balls leads to delays and frustration.

**GOLFER ABILITY**

Consider the ability of the golfers playing your course when setting up. The course should be challenging but enjoyable for all players.

For more information please see our Pace of Play manual at [www.randa.org](http://www.randa.org)
