## A note from Jeffrey Archer

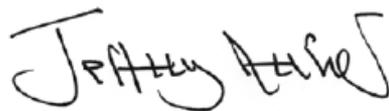

Dear Reader,

I have always enjoyed writing short stories, and to celebrate my eightieth birthday I decided to ask my readers to select twenty from the ninety-two I have had published, for a new collection.

The resulting selection was fascinating, with almost everyone choosing the same seventeen tales, but there was such divergence in those selected for the final three that I had to step in and choose them myself.

I'm mad about art so I wanted the book to be illustrated, and was delighted when my first choice, the contemporary artist and distinguished illustrator Paul Cox, agreed to take up the challenge. Paul's work for *The Wind in the Willows* and Gerald Durrell's *My Family and Other Animals* perfectly matched how I wanted this book to look. The result of our collaboration is *The Short, the Long and the Tall*, which I hope you will enjoy.

Finally, I'd like to thank all those people who have inspired me over the years with their yarns, and do remember that while there may not be a book in every one of us, there is so often a damned good short story.

A handwritten signature in black ink that reads "Jeffrey Archer". The signature is written in a cursive, slightly slanted style.

# The Short, the Long and The Tall

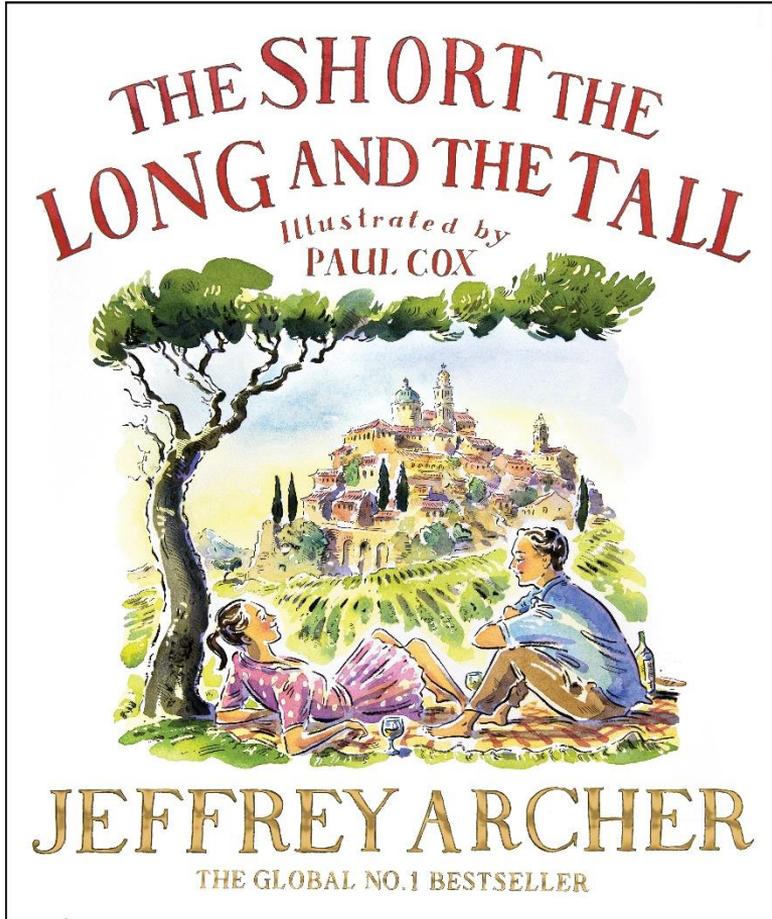

Jeffrey Archer

International number one bestselling author Jeffrey Archer is a master of the short story form, creating classic tales beloved by his fans and hitting the top of the bestseller lists with his previous collections. *In The Short, The Long and The Tall* the master storyteller joins forces with renowned illustrator Paul Cox, to re-imagine twenty of Jeffrey Archer's most popular and feted short stories alongside beautifully rendered watercolour illustrations.

Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to solve a murder and ends up falling in love; and the pretentious schoolboy whose discovery of the origins of his father's wealth changes his life forever. Revel in the stories of the woman who dares to challenge the men at her Ivy League university during the 1930s, and another young woman who thumbs a lift and has an encounter she will never forget.

Discover the haunting story about four men whose characters are tested to the point of death. Finally, a short parable about how pointless war is, and how decent people are caught up in the crossfire of their leaders' ambitions. This will be a must-buy for dedicated fans of both the author and illustrator's work.

THE  
SILENCE

## The Silence

Don DeLillo

It is Super Bowl Sunday in the year 2022. Five people are due to have dinner in an apartment on the east side of Manhattan. The hosts are a retired physics professor and her husband; they are joined by one of her former students and await the arrival of another couple, delayed by what becomes a dramatic flight from Paris.

In the apartment, talk ranges widely. The opening kickoff is one commercial away. Then something happens and the digital connections that have transformed our lives are severed.

What follows is a dazzling and profoundly moving conversation about what makes us human. Never has the art of fiction been such an immediate guide to our navigation of a bewildering world. Never have DeLillo's prescience, imagination and language been more illuminating and essential.

## Together by Christmas

Karen Swan

When Lee first came to Amsterdam, it was with a newborn baby and a secret. Five years later, her life is approaching normal: her career as a celebrity photographer is flourishing, her son Jasper is growing up, and they are enjoying the run-up to Christmas with their tight circle of close friends.

But all this changes one morning when Lee finds a book in the basket of her bicycle – and scrawled inside it, a desperate message. Who left it for her, and why? Lee feels compelled to help and tracks down the book's author, Sam. With an instant, undeniable connection it seems they might have a shot at a real future together.

Until her past comes calling. As the snow falls and ice thickens on the city's canals, the secret Lee has never told resurfaces. Suddenly everything she holds dear hangs in the balance. Christmas is a time for being together – but what if the truth means she ends up alone?

# The Saints of Salvation

Peter F. Hamilton

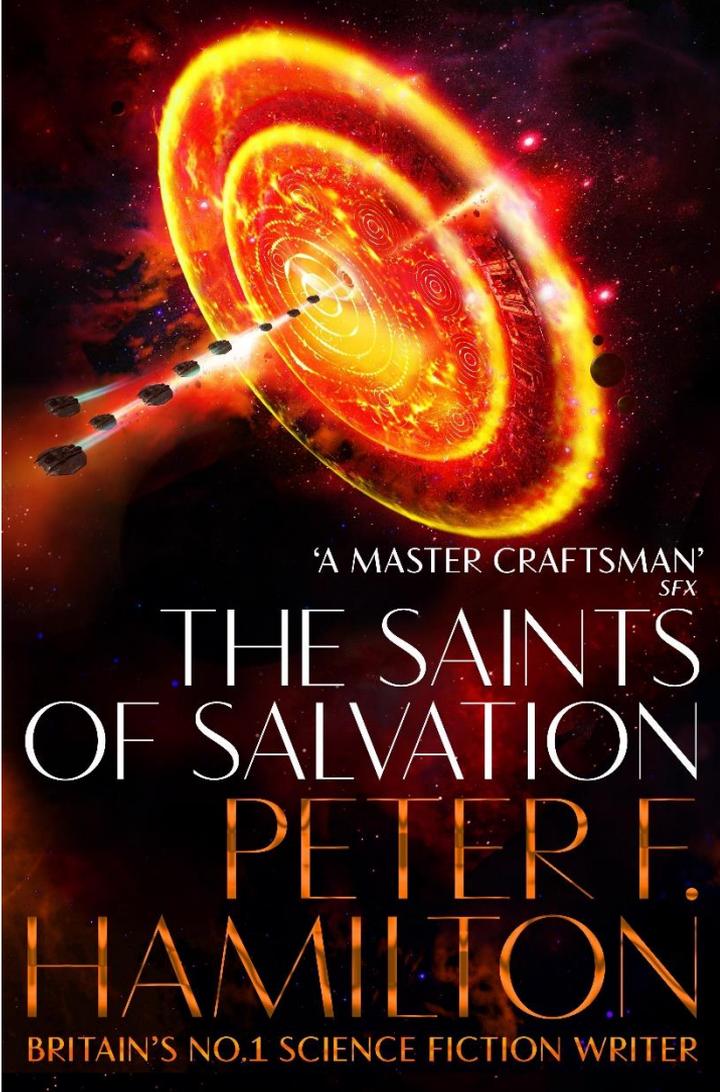

Humanity welcomed the Olyix and their utopian technology. But mankind was tricked. Now these visitors are extracting a terrible price.

For two years, the Olyix have laid siege to Earth, harvesting its people for their god. One by one, cities are falling to their devastating weaponry. And while millions have fled to seek refuge in space, others continue to fight an apparently unwinnable war.

As Earth's defeat draws near, a team attempts to infiltrate the Salvation of Life – the Olyix's arkship. If it succeeds, those chosen will travel to a hidden enclave thousands of light years away. Once there, they must signal its location to future generations, to bring the battle to the enemy. Maybe allies scattered throughout space and time can join forces. Yet in the far future, humanity are still hunted by their ancient adversary. And as forces battle on in the cold reaches of space, hope seems distant indeed...

*The Saints of Salvation* is the third and final book in the *Salvation Sequence* by Peter F. Hamilton.

## The Human

Neal Asher

A Jain warship has risen from a prison five million years old, wielding a hoard of lethal technology. Its goal is to catch their old enemy, the Client, and it will destroy all who stand in its path.

Humanity and the prador thought their mutual nemesis – the bane of so many races – was long extinct. But the Jain are back and Orlandine must prepare humanity's defense. She needs the Client's knowledge to counter this ancient threat. But is the enemy of your enemy a friend? Earth Central even looks to the prador for alliance. These old enemies must now learn to trust one another, or face utter annihilation.

As the Jain warship crosses the galaxy, it seems unstoppable. Human and prador forces alike struggle to withstand its devastating weaponry – far in advance of their own. And Orlandine's life's work has been to neutralize Jain technology, so if she can't triumph, no one can. But could she become what she's vowed to destroy?

*The Human* is the final thrilling book in Neal Asher's *Rise of the Jain* trilogy.

# Shuggie Bain

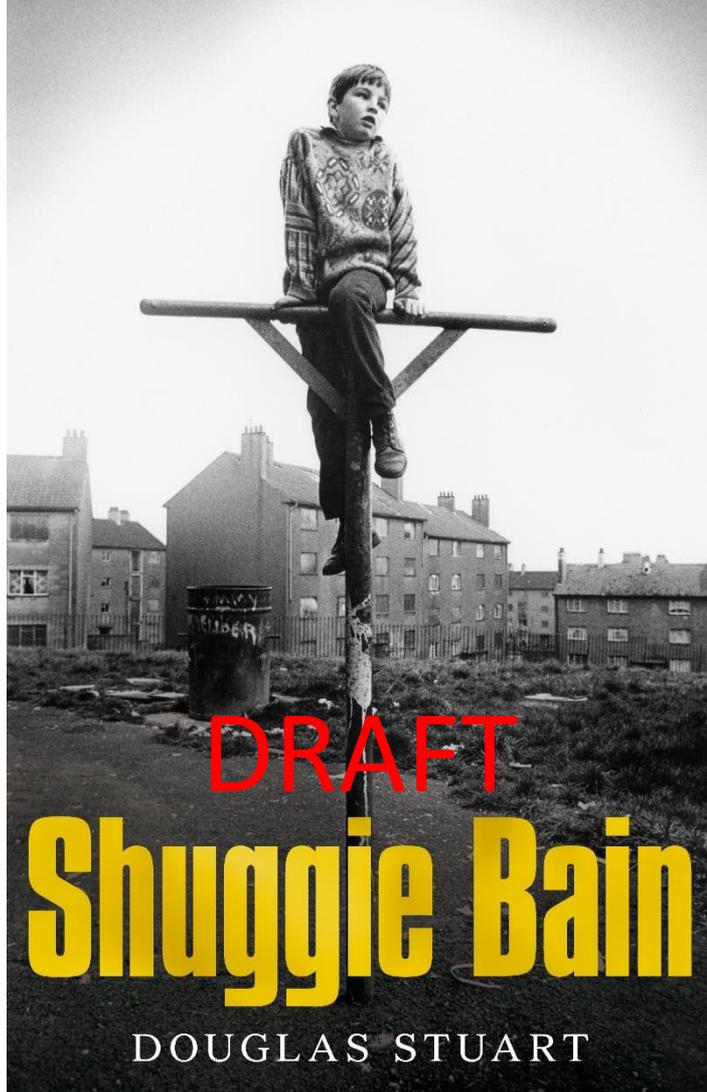

Douglas Stuart

Longlisted for the Booker Prize 2020

It is 1981. Glasgow is dying and good families must grift to survive. Agnes Bain has always expected more from life. She dreams of greater things: a house with its own front door and a life bought and paid for outright (like her perfect, but false, teeth). But Agnes is abandoned by her philandering husband, and soon she and her three children find themselves trapped in a decimated mining town. As she descends deeper into drink, the children try their best to save her, yet one by one they must abandon her to save themselves. It is her son Shuggie who holds out hope the longest.

Shuggie is different. Fastidious and fussy, he shares his mother's sense of snobbish propriety. The miners' children pick on him and adults condemn him as no' right. But Shuggie believes that if he tries his hardest, he can be normal like the other boys and help his mother escape this hopeless place. Douglas Stuart's *Shuggie Bain* lays bare the ruthlessness of poverty, the limits of love, and the hollowness of pride. A counterpart to the privileged Thatcherera London of Alan Hollinghurst's *The Line of Beauty*, it also recalls the work of Édouard Louis, Frank McCourt, and Hanya Yanagihara, a blistering debut by a brilliant writer with a powerful and important story to tell.

## The Happiest Man on Earth

November release

An Auschwitz survivor shares how he found gratitude, kindness and hope in the darkest places

### Eddie Jaku

Eddie Jaku always considered himself a German first, a Jew second. He was proud of his country. But all of that changed on 9 November 1938, when he was beaten, arrested and taken to a concentration camp.

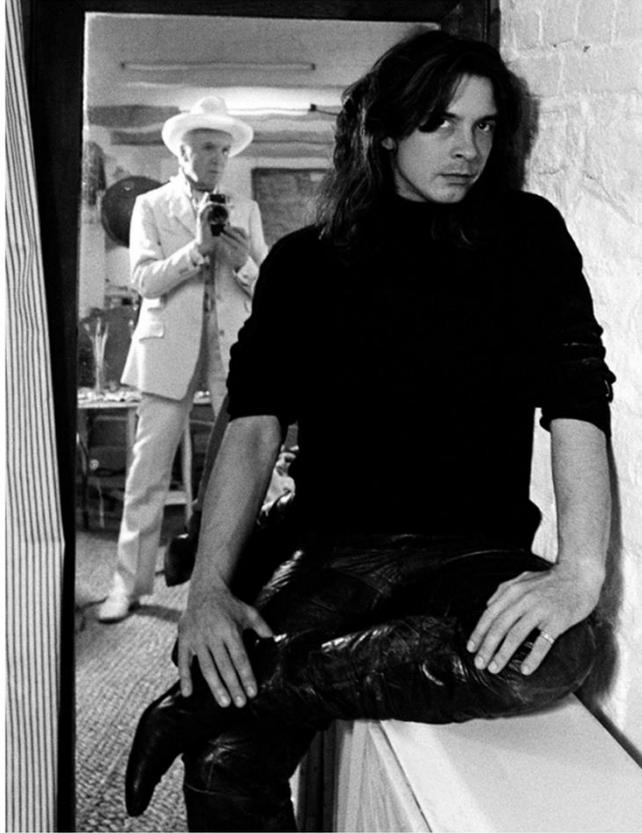

Over the next seven years, Eddie faced unimaginable horrors every day, first in Buchenwald, then in Auschwitz, then on the Nazi death march. He lost family, friends, his country.

Because he survived, Eddie made the vow to smile every day. He pays tribute to those who were lost by telling his story, sharing his wisdom and living his best possible life. He now believes he is the 'happiest man on earth'.

Published as Eddie turns 100, this is a powerful, heartbreaking and ultimately hopeful memoir of how happiness can be found even in the darkest of times

# LOOK AGAIN

## Look Again

The Autobiography

### David Bailey

David Bailey burst onto the scene in 1960 with his revolutionary photographs for Vogue. Discarding the rigid rules of a previous generation of portrait and fashion photographers, he channeled the energy of London's newly informal street culture into his work. Funny, brutally honest and ferociously talented, he became as famous as his subjects.

Now in his eighties, he looks back on an outrageously eventful life. Born into an East End family, his dyslexia saw him written off as stupid at school. He hit a low point working as a debt collector until he discovered a passion for photography that would change everything. The working-class boy became an influential artist. Along the way he became friends with Mick Jagger, hung out with the Krays, got into bed with Andy Warhol and made the Queen laugh. His love-life was never dull. He propelled girlfriend Jean Shrimpton to stardom, while her angry father threatened to shoot him. He married Catherine Deneuve a month after meeting her. Penelope Tree's mother was unimpressed when he turned up on her doorstep. 'It could be worse, I could be a Rolling Stone,' Bailey told her. He went on to marry Marie Helvin and then Catherine Dyer, with whom he has three children.

He is also a film and documentary director, has shot numerous commercials and has never stopped working. Eye-opening and candid, *Look Again* is a fantastically entertaining memoir by a true icon.

# Confucius from the Heart

Yu Dan

Simply written, and with a view to taking the wisdom of Confucius out of the hands of the academics and the philosophers and making it accessible to the general reader, *Confucius From the Heart* gives us a contemporary Confucius, one who can teach us how to attain spiritual happiness, adjust our daily routines and find our place in modern life.

Yu Dan argues that his sayings, or Analects - far from being merely interesting quotes from ancient lore, of little use in our hectic, stress-filled world. Instead, they are simple truths that can speak to each and every one of us and help us lead better, happier, calmer lives.

### Bret Easton Ellis

Bret Easton Ellis is most famous for his era-defining novel *American Psycho* and its terrifying anti-hero, Patrick Bateman. With that book, and many times since, Ellis proved himself to be one of the world's most fearless and clear-sighted observers of society – the glittering surface and the darkness beneath.

In *White*, his first work of non-fiction, Ellis offers a wide-ranging exploration of what the hell is going on right now. He tells personal stories from his own life. He writes with razor-sharp precision about the music, movies, books and TV he loves and hates. He examines the ways our culture, politics and relationships have changed over the last four decades. He talks about social media, Hollywood celebrities and Donald Trump.

Ellis considers conflicting positions without flinching and adheres to no status quo. His forthright views are powered by a fervent belief in artistic freedom and freedom of speech. Candid, funny, entertaining and blisteringly honest, he offers opinions that are impossible to ignore and certain to provoke. What he values above all is the truth. 'The culture at large seemed to encourage discourse,' he writes, 'but what it really wanted to do was shut down the individual.' Bret Easton Ellis will not be shut down.

## The Joy of Walking

Selected Writings

### Various

Classic writers remind us to saunter, march, prowl and wander in this gorgeously curated collection of writing for the everyday walker.

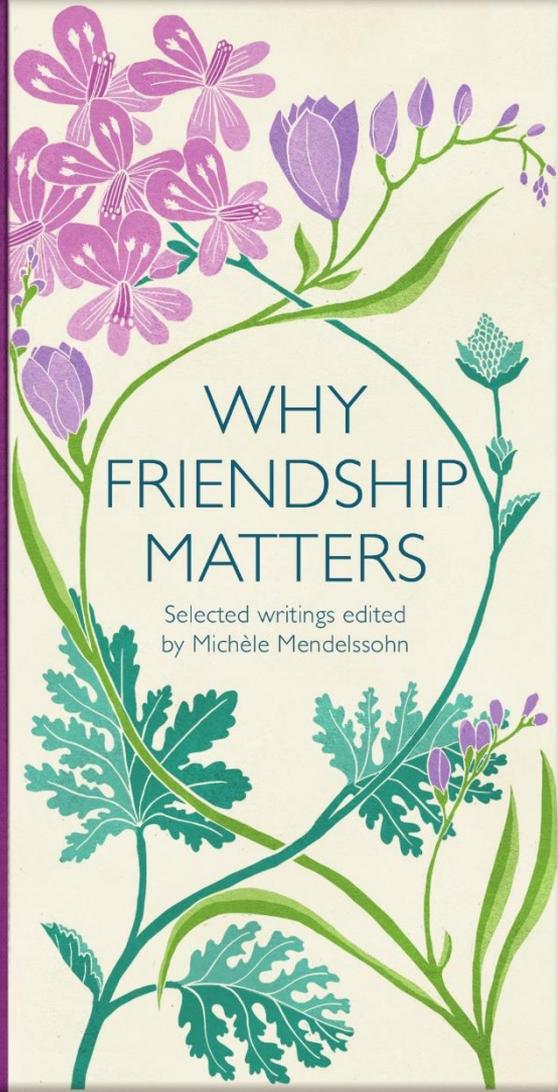

Part of the *Macmillan Collector's Library*; a series of stunning pocket size classics. These beautiful books make perfect gifts or a treat for any book lover. This edition is edited and introduced by Suzy Cripps.

Whether walking through awe-inspiring countryside or weaving your way through crowds in the hustle and bustle of great cities, we take thousands of steps a day. Finding meaning in movement can be difficult in today's frenetic world. This may seem like a modern problem, but putting one foot in front of the other is something that authors have been writing about for centuries.

Some like Gaskell, Wordsworth and Whitman extoll the virtues of walking in the countryside, be it on one's own connecting with nature or as the means to really good conversation with friends. Others like Dickens and E. M. Forster explore the thrill and dangers of moving about the city, by day or by night.

In *The Joy of Walking* you'll find a wealth of essays, poetry and fiction celebrating and exploring the joy of walking.

# The Art of Solitude

Selected Writings

Various

In a world where we're more connected than ever, why is it that we're also more lonely? Dip into this anthology of classic writing to reclaim the pleasure of your own company.

This edition is edited and introduced by writer and academic, Zachary Seager. *The Art of Solitude* shows some of the myriad ways in which people throughout history have understood their experiences of solitary life, or have counselled others to benefit from solitude. It contains poetry, essays, autobiographical pieces and short stories from writers such as Virginia Woolf, Edgar Allen Poe, Emily Dickinson and Ralph Waldo Emerson.

These diverse works can teach us how to think in freedom, how to enjoy a profound inner life and how best to cope with the fact that, as the novelist Joseph Conrad put it, we live, as we dream – alone. Above all, they show how we might truly connect with ourselves and, in the process, how we can meaningfully connect with those around us, including the earth itself. Looked at in this way, solitude is always focused both outward and inward, towards the self and towards the world. The cure for loneliness is, in the end, the art of solitude.
