CRYSTAL CREATIONS

Crystal Creations Kit: Santa on the Rooftop

Spend a relaxing afternoon creating a beautiful piece of art with dazzling results with the Crystal Creations series.

Easy to create and highly rewarding, this mesmerising art is a soothing mix of painting by numbers, cross-stitch and mosaics, perfect for anyone who wants to get creative but is a little intimidated by the expanse of a blank canvas or page.

This jolly Santa image will help the hours melt away as the crystals are applied, one-by-one, onto the canvas with the stylus and special wax included, to create a twinkling scene of shimmering perfection.

Key Features:

- This kit is a cut-above others on the market, with a self-adhesive canvas on board (with a peel-back cover and no fold lines, unlike other products), thousands of crystal gems and a gem applicator with wax.
- This easy, effective and accessible craft is a delightfully mindful activity that looks amazing, and its addictive popularity is evidenced by a growing online presence and community.
- Designed for easy use, it includes clear, photographic instructions.
- Hinkler have over 50 crystal titles available, including canvases of varying sizes and gift cards!
