MOENIE DIE MELK VERGEET NIE

JACO JACOBS & YOLANDI PRINS

Mamma stuur vir Mila en Pappa winkel toe om melk te gaan koop. Wat gewoonlik 'n vervelike en voorspelbare uitstappie is, word 'n onvergeetlike avontuur. Hulle ry op 'n eenhoring, vlieg in 'n ruimtetuig, koop kos vir Mila se troeteldraak koop en kom soos wafferse superhelde tot die redding toe 'n reuse-toring blikkieskos amper omval. Daar is net een probleem – hulle het sowaar die melk vergeet!

Mum sends Mila and her dad to the mall to buy some milk. What would usually be a boring and predictable trip turns into an amazing adventure where they ride on a unicorn, fly in a space ship, buy superhero gear and save the day in the supermarket and buy some dragon food for Mila's pet dragon. There is just one problem – they forgot the milk!

DIE GEHEIME ONTDEKKINGS VAN JANA M LOUW

ZELDA BEZUIDENHOUT

Jana has always wanted to follow in the footsteps of her grandfather. He was a great journalist and they shared a love of facts. But during the first few months of her grade seven year, she discovers facts that are very different from the ones in the numerous books on her shelf. Not only does her favourite grown-up in the world - aunty Kitty - die from cancer but her best (and only) friend is also drifting away from her. And even though the loss is unbearable, it also helps Jana to discover who she is and what makes her special. In the weeks that follow, Jana starts participating in her life instead of only being a bystander.

She learns that she is her own brand of wonderful and not as invisible as she once thought. She discovers her talent for writing, wins her friend back (and makes some new ones) and plans a special farewell ceremony for aunty Kitty.
