Brush Marker Lettering and Calligraphy Kit

Calligraphy is a classic style of writing that conjures up images of fountain pens and old block-style fonts. The carefully swirling ink is reminiscent of a bygone era when people took the time to handwrite beautiful letters in flowing script. Now, calligraphy is experiencing a fashionable resurgence as people want to step back and learn the slow art of lettering.

The Brush Marker Lettering & Calligraphy Kit takes everything we know and love about calligraphy into the modern day. Featuring a huge 8 brush markers in the kit, as well as a 48-page instructional book and a 32-page sketchbook that discusses all the tips and tricks to creating stunning, modern calligraphic fonts.

Key Features:

- Kit includes eight brush markers, a kneadable eraser, HB pencil, 48-page instruction book and 32-page sketchbook!
- Our author is a Master Penman – one of only 11 in the world. She is currently teaches calligraphy while being trained by a calligrapher who worked at the White House. In hot demand, her high profile clients include Louis Vuitton, Chanel, Mercedes-Benz, Facebook, Kikki.K and many more international brands.
- Hinkler's previous calligraphy kit has sold hundreds of thousands of copies, and this refresh is sure to soar to similar heights.
- There are no other titles in the market that combine brush markers and calligraphy in a kit format.
