Playground Equipment Renewal - Cedar Court, Maleny

Project summary

Sunshine Coast Council is committed to maintaining our infrastructure across our region. As part of this ongoing maintenance, Cedar Court, Maleny will be upgraded with a new playground.

Scope of works

The existing playground will be renewed with improved play equipment, soft fall, timber edging and turf rectification works.

As part of the works planned for the playground a new double swing set will be installed, as well as a play hut.

The new play structure will feature multiple decks with monkey bars, a climbing wall, conveyor bridge, pommel bridge and slide.

Start Date

Works are scheduled to commence in late January 2023 and will continue for approximately three weeks (weather dependent).

Access and disruptions

The playground will be temporarily closed during works to maintain public safety.

Access to the park will remain open via Cedar Court for the duration of the project.

Further information

For further information about this project please contact council's project officer Nick Dekker on the details below (stating project number H7561 – Playground Equipment Renewal – Cedar Court – Maleny)

A note from your local councillor

I am looking forward to seeing the renewed play equipment and I am sure that everyone will get lots of enjoyment out of using the new facilities once the work has been carried out. Cedar Court Park is a highly valued park and offers a lovely space for families to take time to relax and enjoy their neighbouring surrounds.
